OVERVIEW

Displayed price is indicative only, and all sincere offers will be welcomed. The Bentley Encore 16 is a compact, assured pontoon that delivers more than its size implies, propelled by a reliable Mercury 50hp outboard that provides smooth, efficient performance for calm-water enjoyment. At a graceful 16-foot length, it is tailor-made for leisurely lake and river cruising, peaceful fishing outings, or towing a tube for uncomplicated fun, striking a harmonious balance between ample seating and nimble, low-stress handling without the complexity of a larger vessel.

Built with durable materials and thoughtful construction, the Encore 16 favors straightforward ownership and minimal fuss, whether you envision a dependable weekend fishing platform or an intimate dayboat for sunset runs. Presented as a refined pontoon and versatile day cruiser that sits comfortably within the pontoon boat, deck boat, and runabout categories, it embodies the simple luxuries of time on the water—an inviting 16-foot family cruiser with outboard power poised to make every outing feel special.

As offered, the boat would benefit from a fresh cleaning and routine seasonal service; it started and ran at pickup, a clear indication of a straightforward path to enjoyment for the next owner. Step aboard, feel the slow roll of an evening breeze, and make your offer with confidence. Note that a trailer is not included with this sale. Nationwide transport and custom cradles, including solutions for international shipment to port, can be arranged through independent logistics providers for a seamless handover wherever you choose to cruise.

No representation is made regarding the condition of the engine, drive, or onboard machinery, and inspection is solely the responsibility of the buyer. Photographs may include the engine space and equipment, but they should not be relied upon as a warranty of operation or completeness. Do not assume that accessories or loose gear are included or stored elsewhere, as the vessel

is offered strictly as seen at the time of viewing. Prospective buyers are encouraged to conduct any surveys or checks they deem appropriate and to base their offers accordingly.

All details are offered in good faith for guidance; however, accuracy and condition are not guaranteed and may change without notice. The vessel may be subject to prior sale, price adjustment, or withdrawal at any time. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with no warranty expressed or implied, including but not limited to any warranties of merchantability or fitness for a particular purpose. No verbal statements shall modify these terms.

For those seeking a polished yet practical lake cruiser across the pontoon, dayboat, fishing, and family boat segments, the Bentley Encore 16 stands out as an elegant, space-smart choice. Trailerable and outboard-powered in spirit, it is simple to own, delightful to operate, and especially suited to the unhurried pleasures of calm-water adventure. Don't let this opportunity drift by, as this 16-foot pontoon invites you to cast off into effortless days and golden-hour evenings with style.
