# OVERVIEW

The Majesty 160 is a 50-metre new build that redefines contemporary superyacht living, marrying striking exterior proportions with superb craftsmanship, exacting finishes and forward-looking engineering. Elegantly proportioned decks flow effortlessly from salon to open air, offering expansive interior volume and an array of modern amenities designed for effortless entertaining and relaxed cruising. Interior schemes by Italy's celebrated Cristiano Gatto Design Studio are balanced by hydrodynamics and hull architecture from the distinguished Dutch house Van Oossanen Naval Architects, creating a vessel that harmonises refined aesthetics with accomplished seakeeping and efficient performance.

Every level of the yacht has been carefully arranged to enhance life aboard: an expansive sun deck provides generous space for leisure, an infinity pool presents uninterrupted sea views, and a thoughtfully engineered hybrid beach club—complete with fold-out terraces and a wide swim platform—creates an inviting waterside sanctuary. Accommodation is arranged to welcome up to 12 guests across seven beautifully appointed staterooms, while crew living is configured to sleep up to nine team members in five cabins, alongside a dedicated captain's residence to ensure discreet, professional service. With its combination of visionary styling, significant internal volume and next-generation onboard systems, the Majesty 160 stands as a statement of uncompromising quality and the pinnacle of luxury life at sea.
