DETAILED DESCRIPTION

Section name

This luxurious yacht offers accommodation for 12 guests across six elegantly appointed cabins, ensuring a comfortable and opulent experience on the water. The owner's suite is complemented by five additional guest cabins, all serviced by a dedicated crew of nine, ensuring impeccable service and attention to detail throughout your voyage.

Powered by robust MAN engines, specifically the D2862 LE 446 V12-1440 model, the yacht boasts 900 engine hours on both the port and starboard sides as of May 2024. It achieves a maximum speed of 16 knots and cruises comfortably at 13.6 knots, with a fuel consumption of 260 liters per hour at cruising speed. The propulsion system features Detra P propellers made from Nibral material, each with five blades, and is supported by ZF 3311 gearboxes and a Twin Disk P/N ITACT4000A steering system.

The yacht is equipped with Kohler 125 EF02DJ generators, providing 125 kW at 50 Hz, with the port generator logging 1800 hours and the starboard 1780 hours. An ASEA AC55LC-3 frequency converter and Mastevolt MASSZ4-100-C battery chargers ensure reliable power management. The vessel's maneuverability is enhanced by a CMC bow thruster and CMC H160 stabilizers, while the climate is controlled by H&M air conditioning with Bitzer compressors, type 6JE-334-35P, and H&H HVAC ventilation systems. A Cosnav hydraulic pack system and a comprehensive compressed air system further enhance onboard functionality.

Safety is paramount, with Uniproject alarms and communication systems, alongside comprehensive security, safety, firefighting, and medical provisions. Communication is seamless with VHF systems, handheld UHF portables, satellite communications, and a robust internal network featuring telephone,

intercom, cellular, WIFI, and LAN capabilities.

Navigation is precise and reliable, featuring radar, echosounder, GPS, plotter, AIS, wind instruments, speed/log, gyrocompass, autopilot, magnetic compass, and Navtex. Control is centralized at the bridge, with additional wing stations for optimal maneuverability.

On deck, the yacht is equipped with dual 120-meter anchor chains, Atlos and Cosnav boat cranes and davits, a Cosnav passerelle, a swimming platform, searchlight, and awning, ensuring both functionality and leisure are catered for. The galley is fully equipped with a range, refrigeration, freezer, dishwasher, trash compactor, and waste disposal systems, complemented by Miele washing machines and dryers for laundry needs.

For added ambiance, the yacht features 36 SU14 LED underwater lights, creating a stunning visual display beneath the waves. This vessel seamlessly combines technical excellence with luxurious comfort, offering an unparalleled yachting experience.
