OVERVIEW

Rush is part of the Mangusta 165' line by Overmarine, delivered as the fifth hull in this celebrated series and regarded as a benchmark among the high-speed Mediterranean superyachts of its generation. A high-performance planing luxury motor yacht, she captures the alluring, open-yacht character that has become synonymous with the brand.

Conceived for an owner who intends to make every moment at sea count, Rush combines assertive, muscular visual language from Overmarine and Stefano Righini with formidable engineering. Twin MTU 16V engines generate a combined 6,889 kW, driving the yacht to a top speed in excess of 30 knots and delivering the exhilarating performance expected of this platform.

On the main deck aft, a generous terrace is appointed with an ingenious pivoting dining-and-coffee table configured for ten guests, while the foredeck offers a more private sunbathing retreat with loungers and a Jacuzzi. The sun deck provides panoramic sea vistas and is arranged with a convivial dining space, broad sunpads and a secondary helm station, making it an ideal vantage point for both relaxation and navigation.

The interior package by Giorgio Vafiadis reads as bright yet assuredly masculine, with high-gloss wengé joinery, silk-blend carpets and premium Foglizzo leather wall panels, all set beneath ceilings that are unusually lofty for a yacht of this length. The main-deck salon flows seamlessly into the dining area and bar before opening onto a capacious lounge centered around a circular sofa facing an 82-inch television, supported by an extensive cinema library for onboard entertainment.

Below decks, Rush sleeps ten guests across five sumptuous en-suite staterooms, comprising a full-beam owner's suite with his-and-hers bathrooms, a forward VIP, one double guest cabin and two twin cabins. A fully equipped massage area complete with a steam room—an exceptional amenity

on an open-performance yacht—offers a restorative, spa-like experience. Prepared for memorable days on the water and equipped with a comprehensive selection of water toys, Rush is tailored to those seeking spirited cruising without compromising on comfort. Meticulously maintained, she is presented in immaculate, turn-key condition.
