## OVERVIEW

---

Commanding the horizon with 163 feet of purposeful elegance, this 2011 French-built superyacht is a study in strength, serenity, and ocean-going poise. Crafted entirely in steel—from her robust hull to her steadfast decks—she offers the reassuring feel of a true bluewater luxury motor yacht, designed for confident passages and whisper-quiet comfort at sea.

Underway, she slips along at a refined 13 knots and can reach up to 15 knots when you ask for more, maintaining a smooth, composed ride that speaks to her seakeeping pedigree. Her substantial tankage—approximately 60,000 gallons of fuel and 48,000 gallons of fresh water—delivers rare independence between ports, making her an inspired choice for world-cruising itineraries and extended voyages. Whether exploring secluded anchorages or crossing open oceans, she balances capability with calm, creating the sense of a private sanctuary afloat.

On deck, expansive open-air lounging and dining areas invite long, lingering moments with sea and sky. The scale afforded by her length grants generous zones for relaxation and entertainment, while wide passageways and purposeful exterior geometry enhance the onboard flow. Inside, her voluminous interior promises the atmosphere discerning owners and guests expect: spaces that are adaptable to elevated entertaining as well as intimate retreats, all framed by a timeless aesthetic that complements her commanding profile.

Built in France in 2011 and lying in France today, she encapsulates the craftsmanship, endurance, and quiet luxury that define the finest European yachts. Every detail underlines her role as a serious ocean-going platform—resolute in steel, indulgent in experience, and elegant in presence. For owners seeking a superyacht-class, steel motor yacht with long-range, bluewater credentials, she stands as a compelling opportunity—equally suited

to private ownership or a refined charter yacht program. This is the essence of a world-cruising luxury yacht: confident, composed, and endlessly inviting. Superyacht. Luxury motor yacht. Bluewater. Ocean-going. World cruiser. Steel yacht. Charter yacht. Private yacht.
