OVERVIEW

Crafted by the renowned Italian shipyard CBI Navi and styled by celebrated designer Luca Dini, the 49.9m superyacht ELENI combines timeless elegance with true ocean going capability and an established charter history. Her balanced silhouette, generous teak clad decks and sumptuously finished interiors make her equally suited to discreet family cruises or staging sophisticated social gatherings on a larger scale. Extensively refitted between 2017 and 2019, this motor yacht has been maintained to an exacting standard while retaining the handcrafted detailing and finish one expects from a vessel of such pedigree.

DETAILED DESCRIPTION

Intro text

Handbuilt by the distinguished Italian yard CBI Navi and crafted to the vision of renowned designer Luca Dini, the 49.9-meter ELENI combines enduring elegance with authentic long-range cruising capability and a notable, successful charter record. Her exterior presents harmonious, well-proportioned lines that flow into generous, inviting deck areas, while the interior offers refined, sophisticated styling that suits both intimate family journeys and large-scale entertaining. Subjected to an extensive refit between 2017 and 2019, ELENI has been maintained with meticulous care to an exceptional standard, all the while retaining the classic workmanship expected of a yacht of this pedigree.

Salon

A 77-inch LG OLED television, fitted in 2026, presides over the salon, offering cinema-quality imagery and an understated contemporary elegance that enhances the room's luxurious ambiance.

Galley

Meticulously arranged to support efficient service, the galley offers local freezer capacity and convenient refrigerated drawer space, while additional refrigerated and frozen storage is positioned beneath the crew area within the tank deck to ensure neatly organized, extended provisioning.

Master stateroom

The master stateroom is a serene sanctuary centered around one king-size bed and enhanced by a refined seating arrangement comprising one single-seater couch with ottoman, one chaise lounge and one two-seater couch for effortless relaxation. Plush wall-to-wall carpet underfoot imparts a warm, quiet atmosphere and softens every step throughout the suite. Two en-suite bathrooms provide indulgent privacy, each appointed with a shower, a bath and a bidet, all finished with elegant marble countertops. Generous storage is offered by large walk-in cupboards, while one safe secures personal valuables and one desk with chair provides a sophisticated workspace. Entertainment and onboard systems are effortless, with one 41-inch TV and an iPad system to control the TVs and music, further supported by an internal phone exchange for added convenience.

VIP stateroom 1

This elegant VIP retreat is appointed with a queen-size bed and a 37-inch television, while an iPad-based system allows effortless control of the TVs and onboard music for intuitive entertainment. An internal phone exchange provides seamless communication throughout the vessel, and the shower room, finished in marble, introduces a refined sense of indulgence. Plush carpet underfoot and a single safe for personal valuables complete the suite, delivering both luxurious comfort and reassuring security.

Guest stateroom 1

This refined guest stateroom is appointed with a queen-size bed and an ensuite bathroom offering both bath and shower, elegantly finished in marble. Plush carpet underfoot complements a discreetly integrated safe, together

creating a tranquil, private sanctuary that ensures secure, restorative nights at sea.

Guest stateroom 2

The refined stateroom is appointed with two twin-size beds and a shower room finished in marble, complemented by plush carpeted flooring and a single secure safe for valuables.

Guest stateroom 3

A tranquil haven centered on one queen-size bed, this stateroom features an adjoining bath and shower room adorned with marble finishes that elevate everyday routines into quiet luxury. Plush carpet underfoot softens footsteps and enhances the room's warm, hushed atmosphere, while one dedicated safe provides secure storage for personal valuables throughout the voyage.

Guest stateroom 4

A serene sanctuary aboard, the fourth guest stateroom houses one queen-size bed and includes a private shower room adorned with marble finishings; soft carpet underfoot enhances the tranquil ambiance, and a discreetly integrated safe ensures secure storage for personal items.

Captains quarters

The captain's quarters offer a tranquil, impeccably styled sanctuary, featuring one double bed set upon soft carpet flooring and complemented by one shower room for everyday convenience; secure storage is provided by one safe, while an internal phone exchange ensures discreet, seamless communication throughout the yacht.

Crew lounge

Conceived for both comfort and operational efficiency, the crew lounge revolves around a twelve-seat table with bench seating that creates an elegant, convivial setting for briefings and shared meals. Catering is supported by one man-size Siemens fridge/freezer providing generous cold storage, one microwave for swift reheats and one Miele dishwasher to streamline cleanup and keep the area immaculate between watches.

Laundry room

A purpose-built laundry suite houses three Miele PW6065 washing machines paired with three Miele PT7136 driers, delivering commercial-calibre capacity and swift cycle times so linens and guests' wardrobes receive meticulous, hotel-standard care, while this robust configuration accelerates turnarounds and preserves an immaculate presentation throughout every voyage.

Audio & visual equipment

At the touch of an iPad, the RTIPanel orchestrates every television and audio zone via the HEOS app, drawing on integrated Denon systems installed on every deck and in each room. Live programming is delivered by dedicated IPTV boxes, a Zappiti media server houses the onboard film library, and Apple TV units positioned throughout the yacht provide effortless, uninterrupted streaming.

Engineer room

Meticulously specified for unwavering reliability and straightforward service access, the engineer room houses an EVAC (Ejector Vacuum) sanitation system

driven by two Unipumps. Long-range autonomy is supported by a pair of HEM watermakers (HEM30 Duplex), each producing 600 Lts/hr. Fuel systems are protected with primary Racor filtration on the main engine and the generators, with fuel transfer managed by dedicated fuel pumps and the option to polish fuel further through the Alfa Laval fuel separator MAB 103B. Climate control is delivered by four primary Condaria chiller plants, each incorporating four Carlyle compressors and together offering a combined capacity of 15000kCal/hr; a central chilled water ring distributes cooling to all local fancoil units. Focused cooling needs are met by two Frosty units servicing the ECR and galley. Domestic hot water is generated by two Gianneschi & Ramacotti LT30 units fitted with 13kW electric burners and a 300 Lts capacity, while shore power handling is elevated by a Magnus SP200 shore power converter, professionally installed and commissioned in STP Palma by AMEA and Magnus technicians in 2022.

Electrical equipment

Designed to deliver seamless connectivity and uncompromising control, the yacht's electrical architecture revolves around a Cisco network switch with wireless access points and a Kerio router system, together supporting a Panasonic PABX that provides voice services throughout the vessel. Security and situational awareness are entrusted to a single Panasonic CCTV system (W-Cu360cj) with monitors in the wheelhouse and crew mess and cameras positioned in the engine room, along the side decks, on the aft deck and at the masthead. Comprehensive systems oversight is provided by a bespoke monitoring installation by AMEA Electrics UK, paired with a Multiline DEIF power management system by AMEA Electrics, commissioned in 2019. The main electrical distribution is 400 VAC, 50 Hz, three-phase. Offshore communications are assured by two Pepwave 5G units paired with Peplink antennas, two Sailor XTR 1000 KU 16 W VSATs, two Maritime Starlink systems

and one Flat Roaming Starlink system.

Skylounge

This elevated retreat is furnished with one L-shaped couch accompanied by two single seaters and one leather-cushioned coffee table, creating an inviting setting for relaxation. Entertaining is effortless around one square games table with four chairs, while one bar—fully appointed with an ice machine, a bar fridge and glassware—keeps refreshments conveniently available.

Sundeck

At the bow, a four-person Jacuzzi heated to a maximum of 40 degrees forms the centerpiece of an expansive sun-lounging precinct, while on-demand shade is provided by an extendable awning that deploys from the forward edge of the gym roof; a stylish bar area, complete with one bar fridge, keeps refreshments perfectly chilled for guests. Aft, the ambiance shifts to relaxed sophistication with three teak sun lounges paired with two Denon clam sofas accompanied by a sun shade and two umbrellas, and a new three-piece sofa set with coffee tables (new 2025) creates an inviting social hub that can be effortlessly sheltered by an extendable sun awning deployed from the aft of the gym roof.

Gym equipment

The yacht's luxuriously appointed wellness suite houses a single Technogym Treadmill complemented by a Technogym Elliptical Cross, a Technogym Rowing Machine and a Technogym Bicycle, together with one set of weights for strength training. Two LG 43-inch TVs, fitted in 2026, provide immersive entertainment and visual coaching to enhance and elevate every workout.

Tenders

The tender complement includes a 10.8m / 35'4" Wellcraft Scarab crafted for brisk, exhilarating excursions and effortless guest embarkation, alongside a 4.20m / 13'9" Novurania SOLAS rescue tender that delivers SOLAS-certified safety and reliable ship-to-shore performance, together providing versatile capability and assured confidence in all conditions.

Water sports

A carefully curated selection of toys ensures both pulse-raising adventure and serene downtime: two Seadoo GTS Waverunners and a pair of Seabob F5S deliver exhilarating surface and sub-surface excursions, while an 8 m (26'3") FunAir inflatable waterslide converts the anchorage into your private aqua park. A Nautiboy inflatable teak platform expands the vessel's sea-level playground, functioning as an elegant lounge and practical launch pad, and two 3.20 m (10'6") Jobe inflatable paddleboards offer a graceful way to explore calm coves and crystal waters.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
