OVERVIEW

The Global 500 Hybrid represents the pinnacle of modern exploration vessels, seamlessly integrating cutting-edge hybrid technology. Its swift displacement hull, paired with powerful MAN diesel engines and dual Siemens EcoProp electric motors, ensures that this lightweight, all-aluminium yacht not only champions eco-friendliness and remarkable efficiency with an impressive cruising range of 4,500 nautical miles, but also operates with exceptional quietness. The open-concept design showcases a master suite on the main deck, complete with two fixed balconies, while the lower deck accommodates five luxurious guest cabins. Additional amenities include a spa featuring a sauna, a garage for water toys located in the transom, and an expansive sundeck equipped with a hot tub and ample space for fitness equipment. The main deck aft boasts a touch-and-go helipad with a capacity of 3,000 kg. Furthermore, this yacht for sale comes with exquisite interior styling by Bentley Home as standard, complemented by soaring ceiling heights of 2.2 meters throughout. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies elegance and adventure.
