OVERVIEW

Boldly sculpted with unmistakable Italian flair, the 2016 Mondomarine 50M is a 165-foot luxury motor yacht whose presence combines athletic performance with the laid-back elegance of the Riviera. Built in lightweight aluminum and shaped with a semi-displacement profile, she offers the desirable marriage of brisk, responsive handling and a composed, comfortable motion—an elegant 50 meter superyacht made for Mediterranean life.

Her broad 29-foot beam creates generous interior volume while remaining desirably under the prized sub 500 GT threshold, and the expansive exterior lounges encourage a life lived outdoors. Decks that invite morning espresso and moonlit receptions flow effortlessly between sunning, socializing, and alfresco dining, each vantage framing wide sea panoramas. Within, the mood is quietly luxurious: contemporary finishes, large glazing, and well-proportioned salons provide an intimate setting for both entertaining and retreat.

Powered by twin MTU diesel inboards, she cruises confidently at 16 knots and can reach exhilarating top speeds of 20 knots. The all-aluminum construction enhances efficiency and nimbleness, and meticulous shipyard engineering ensures a reassuringly smooth ride. Generous fuel and freshwater capacities support extended passages, rendering this 50-meter yacht well suited to seasonal Mediterranean cruising or more distant explorations.

Hospitality is thoughtfully choreographed throughout, with discreet service circulation, ample guest facilities, and multiple heads to ensure comfort during prolonged stays aboard. Whether hosting an intimate soirée or guiding friends on a week of coastal discovery, the flexible layout shifts seamlessly from private sanctuary to social flagship.

Moored in Monaco at the heart of yachting's most glamorous milieu, she is equally at home as a refined private yacht or as an impeccable charter yacht. A

rare opportunity to own a pedigreed Mondomarine in superb condition, this 50M exemplifies the modern mega yacht—purposeful, beautifully constructed, and endlessly inviting. DETAILED DESCRIPTION

Main description

Introducing the stunning 2016 Mondomarine 50 Meters, a magnificent mega yacht that epitomizes luxury and performance. With an overall length of 164 feet, this vessel features a sleek aluminum hull that marries durability with refined lines, while twin MTU 16V 2000 M84 engines, each producing 2,186 horsepower, deliver a comfortable cruising speed of 16 knots and a maximum hull speed of 20 knots for confident, long-range passages. The interior layout provides up to six cabins and eight heads with generous volumes for relaxation and entertaining, and a remarkable range of 3,500 miles makes Provocateur ideal for extended voyages and exploration. This used yacht blends sophisticated Italian design and powerful engineering, and standout features include a comprehensive 2023/2024 refit, a swimming pool on the bow deck, a full-beam master cabin on the main deck, a six-cabin arrangement accommodating up to twelve guests with additional pullman berths, a state-of-the-art gym and sauna, and ABS and commercial compliance credentials. Experience the allure of Provocateur and set sail in style.

Mechanical disclaimer
