OVERVIEW

The 2024 Bayliner Element M17 is a versatile 17-foot deck yacht designed for families and leisure seekers who value cost-effectiveness, stability, and ease of use. Its cutting-edge M-Hull design ensures exceptional stability and dependable handling, making it perfect for various water activities. The cockpit features a comfortable nook-style seating arrangement ideal for socializing, with integrated storage and cupholders for added practicality. The bow area includes a filler cushion that transforms the space into a sunbathing lounge, enhancing its comfort features.

Standard amenities include a swim platform with a foldable ladder and an 18-gallon fuel tank. Blending performance, comfort, and affordability, the Bayliner Element M17 is an excellent choice for those looking to create memorable moments on the water.

DETAILED DESCRIPTION

Standard Key Features

This yacht features an eye-catching exterior with a pristine white hull, paired with an elegant interior in shades of gray accented by black. Crafted for both comfort and practicality, it offers nine well-placed cup holders and four grab handles, ensuring ease and safety for everyone on board. The yacht is fitted with four mooring cleats, a battery switch, and a manual bilge pump, delivering essential components for a flawless boating journey.

The helm is equipped with a versatile gauge that includes a speedometer, voltmeter, and fuel gauge, along with a 12V accessory outlet and a 12V horn for added functionality. The side-mounted engine controls feature a trim and tilt switch built into the handle, allowing for precise navigation. A custom sport steering wheel enhances the driving experience, while the three bow and transom eyes contribute to the vessel's sturdy construction.

For navigation and safety, the yacht is equipped with 12V navigation lights. Its cutting-edge M-Hull design ensures stability and smooth cruising, complemented by a robust fiberglass floor liner. The single helm windscreen shields against the elements, and the swim platform with a telescoping ladder provides easy water access, making this yacht an ideal combination of elegance, performance, and utility.

Optional features

This yacht presents a remarkable selection of optional features crafted to elevate your time on the water. The MX Package is a highlight, offering a Bimini top with a 6-foot reach and a handy boot for easy storage. It also comes with a 500 GPH automatic bilge pump for effective water control and a waterproof

120-watt AM/FM stereo with Bluetooth, so you can enjoy music while cruising. Completing the package are a SnapOn bow well and cockpit cover, adding both protection and elegance.

For water sports enthusiasts, the ski tow pylon is a must-have, providing a dependable and secure towing point. The Vessel View Mobile system is another excellent addition, delivering real-time data and diagnostics straight to your mobile device, keeping you updated on your yacht's performance. Lastly, the galvanized trailer ensures durability and ease of transport, allowing you to effortlessly take your yacht to any destination. These optional features come together to offer a flexible and delightful boating experience.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
