OVERVIEW

Since its introduction in 1992, the 1720CC has consistently been our best-selling model. We have meticulously refined it over the years, adding a taller freeboard, a revamped console, more storage capacity, larger deck areas, all-fiberglass lids, and a fine-tuned running surface to enhance its performance. These improvements allow you to enjoy this classic boat with contemporary features that boost its overall utility.

Our Center Consoles are among the most distinguished yachts on the market, offering a wide range of functionalities in every model. Whether you're setting out on a fishing trip or enjoying a relaxing day on the water with family and friends, you can expect an abundance of rod holders, generous storage solutions, live wells, roomy cockpits, and fish boxes in this series. Furthermore, there are options for additional comfort, such as bow cushions and jump seats, making this yacht an outstanding option for those seeking to purchase a yacht in the current boat location. Delve into yacht sales in the current boat location and experience the ideal combination of elegance and practicality with the 1720CC.

DETAILED DESCRIPTION

Section name

Since its launch in 1992, the 1720CC has consistently been our top-selling model, and it's easy to see why. Over the years, we've carefully refined this timeless vessel to boost its functionality and maintain its status as a favorite among boating aficionados. With enhancements like a raised freeboard, a redesigned console, and expanded storage, the 1720CC provides more deck space and all-fiberglass hatches, making it an adaptable option for any aquatic adventure. The running surface has been optimized to increase efficiency, ensuring a smoother and more enjoyable ride.

Our Center Consoles are celebrated for being some of the most well-equipped boats available, thanks to their wide array of practical features. Whether you're planning a fishing trip or a leisurely day on the water with family, this series has everything you need. You'll find numerous rod holders and generous storage options, along with live wells, spacious cockpits, and fish boxes. For those who enjoy a bit of luxury, optional extras like bow cushions and jump seats are available, ensuring that every outing is as comfortable as it is delightful.

Propulsion

This yacht is equipped with a powerful Yamaha engine, the F90L model, which serves as its propulsion system. This outboard-4S engine generates a total of 90 horsepower, guaranteeing dependable and efficient performance on the water. Running on gasoline, this engine is celebrated for its smooth operation and fuel economy, making it an ideal option for those who appreciate both strength and cost-effectiveness. With Yamaha's esteemed reputation for

durability and cutting-edge technology, you can be confident that this propulsion system will deliver a flawless and pleasurable boating experience.

Specifications

This yacht is distinguished by its remarkable specifications, designed to enhance both performance and comfort. Measuring 17.17 feet in length with a beam of 6.83 feet, it presents a harmonious design that guarantees stability and effortless navigation. Weighing in at 1,503 pounds when dry, the vessel is easy to manage for various towing and docking scenarios.

The yacht's 15-degree deadrise at the transom ensures smooth handling and the capability to glide through waves effortlessly. Its fuel efficiency is bolstered by a single 40-gallon fuel tank, enabling longer voyages without the need for frequent refueling. These features combine to offer a vessel that is both practical and delightful for any boating enthusiast.

Other details

In offering the particulars of this vessel, the Company acts in good faith, striving to deliver precise and thorough information. Nonetheless, it is crucial to acknowledge that the Company cannot assure or guarantee the accuracy of the details provided, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
