OVERVIEW

The 179 FS is meticulously designed to appeal to both avid anglers and those who enjoy relaxed cruising. This yacht is perfect for the active family that appreciates the flexibility and convenience of a smaller vessel, while still benefiting from the fishing and cruising features usually found in larger yachts. The 179 FS elegantly combines these elements into a design that easily fits in a standard garage and can be towed by most modern SUVs. With its sophisticated hull design, this yacht offers thrilling performance and remarkable fuel economy, powered by a capable 90 HP engine, with an option to upgrade to a powerful 140 HP. Just shy of 18 feet, it features impressive elements such as a collapsible jump seat on the aft deck, easy access to the bilge, generous storage options, and even integrated rod holders—luxuries typically associated with larger models. Discover yacht sales at the current boat location and take advantage of the chance to purchase a yacht that perfectly marries practicality with sophistication.

DETAILED DESCRIPTION

Section name

The 179FS is a meticulously crafted vessel tailored for both fishing aficionados and those who relish tranquil cruises on the water. This boat is designed for the dynamic family that values the adaptability and ease of a smaller craft, while still enjoying the fishing and cruising amenities typically reserved for larger boats. The 179FS skillfully merges these features into a compact design that conveniently fits in a standard residential garage and can be effortlessly towed by most contemporary SUVs. The refined hull design of the 179FS guarantees lively performance and excellent fuel efficiency, driven by a capable 90 HP engine, with an option to upgrade to a powerful 140 HP for those who desire extra power. Measuring just under 18 feet, the 179FS is equipped with remarkable features such as a foldable jump seat on the rear deck for additional seating when required, and straightforward bilge access for maintenance. The boat also provides ample storage options and even includes integrated rod racks, luxuries typically found in larger models. This thoughtful blend of features makes the 179FS an ideal choice for families who value both practicality and comfort in a compact, yet proficient, vessel.

Propulsion

The heart of this yacht's propulsion is a dependable Yamaha engine, particularly the F90L model. This outboard-4S engine generates a total of 90 horsepower, guaranteeing strong and efficient performance on the water. Crafted to operate on gasoline, this engine is celebrated for its smooth functionality and fuel efficiency, making it an ideal option for those who appreciate both power and cost-effectiveness. The Yamaha F90L exemplifies superior engineering, delivering the essential thrust and reliability for an

uninterrupted and enjoyable boating journey.

Specifications

The details of this yacht emphasize its harmonious design and functional attributes. With a total length of 17.75 feet and a beam width of 7.33 feet, this vessel provides a compact yet roomy configuration, perfect for both agility and comfort on the water. Weighing in at 3,306 pounds when dry, the yacht showcases its robust build and stability. Furthermore, the deadrise at the transom is set at 15 degrees, ensuring a smooth and efficient voyage, even in rough waters. The fuel capacity is generous, with a single tank accommodating up to 40 gallons, allowing for prolonged trips without the need for frequent refueling. These specifications collectively highlight the yacht's capability and preparedness for a wide range of aquatic adventures.

Other details

When offering the details of this vessel, the Company acts in good faith, striving to deliver precise and thorough information. Nonetheless, it is crucial to understand that the Company cannot ensure or guarantee the accuracy of the information provided, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
