OVERVIEW

The 2024 Bayliner Element M17 is an exciting 17-foot deck yacht designed for families and leisure seekers who value cost-effectiveness, stability, and ease of use. Its cutting-edge M-Hull design ensures exceptional stability and dependable handling, making it ideal for various water activities. The cockpit features a comfortable nook-style seating arrangement perfect for socializing, with integrated storage and cupholders for extra convenience. The bow area includes a filler cushion that transforms it into a sun lounger, enhancing its comfort features.

Standard amenities include a swim platform with a foldable ladder and an 18-gallon fuel tank. Blending performance, comfort, and affordability, the Bayliner Element M17 is an excellent choice for those looking to create memorable moments on the water.

DETAILED DESCRIPTION

Standard Key Features

This yacht features a refined and elegant design, highlighted by a solid black hull that radiates sophistication on the water. The interior is elegantly styled in gray with black accents, creating a contemporary and welcoming ambiance. With nine thoughtfully positioned cup holders and four grab handles, the design prioritizes convenience and safety. The yacht is outfitted with four mooring cleats to ensure secure docking.

Essential onboard operations are supported by a battery switch and a manual bilge pump. The multi-functional gauge delivers crucial data with a speedometer, voltmeter, and fuel gauge, while a 12V accessory outlet and horn enhance the vessel's utility. The side-mounted engine controls include a trim and tilt switch built into the handle, providing precise control.

The custom sport steering wheel elevates the driving experience, and the yacht is equipped with three bow and transom eyes for additional functionality.

Navigation is simplified with 12V navigation lights, and the innovative M-Hull design guarantees a smooth and stable journey. The fiberglass floor liner adds robustness, and the single helm windscreen shields against the elements.

For relaxation and enjoyment, the yacht includes a swim platform with a telescoping ladder, facilitating easy water access. This vessel effortlessly blends style, comfort, and practicality, making it an outstanding choice for those in search of a luxurious yachting experience.

Optional features

This yacht presents a remarkable selection of optional features crafted to elevate your boating adventures. The MX Package is a notable highlight,

featuring a Bimini top with a 6-foot reach and a handy boot for effortless storage. It also comes with a 500 GPH automatic bilge pump, ensuring effective water management. For entertainment, the package includes a waterproof 120-watt AM/FM stereo with Bluetooth, letting you enjoy your favorite music while cruising. The SnapOn bow well and cockpit cover provide protection and convenience, maintaining your yacht in immaculate condition.

Moreover, the yacht is fitted with Vessel View Mobile, an advanced tool that offers real-time data and diagnostics, enhancing your control and insight into the vessel's performance. Completing the package is a galvanized trailer, providing durability and ease of transport. These optional features come together to offer an exceptional yachting experience, tailored to satisfy the needs of discerning boaters.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
