# DETAILED DESCRIPTION

---

## Description

---

Step aboard the 1987 Buddy Davis 61 Convertible, a rare and highly sought-after icon of luxury and performance that marries timeless lines with seaworthy engineering. Renowned for impeccable craftsmanship and a sleek, seakindly profile, she offers the confidence of robust twin Detroit Diesel 12V92TA engines that deliver commanding power and unwavering stability for owners who demand the very best offshore, while a spacious and refined three-stateroom layout provides effortless comfort for extended adventures and entertaining, blending classic teak finishes with modern amenities. Opportunities to own a vessel of this pedigree are exceptionally scarce—seize your moment to elevate your yachting to the pinnacle of sophistication.

## Overview

---

Experience luxury and performance aboard LB CAKE, a beautifully maintained 1987 Buddy Davis 61 Convertible that fuses bluewater muscle with refined living. Her thoughtful three-stateroom, three-head arrangement is designed for extended sportfishing campaigns and indulgent cruising alike, while freshly rebuilt twin Detroit Diesel 12V92TA engines, showing approximately one hundred hours since overhaul and current reported engine hours of 283 and 285, and updated onboard systems inspire confidence far beyond the inlet. Belowdecks, the forward master suite centers on a walkaround queen berth with private head and separate stall shower, generous storage including space beneath the berth, and rich teak cabinetry and trim that create an elegant retreat. To port, the VIP stateroom offers a restful athwartship queen and its own private head with a separate shower, while to starboard the guest stateroom provides upper and lower twin berths and convenient access to a

third full head, with a practical utility room aft already plumbed for a washer/dryer to simplify life on board. The salon and galley flow as a single, welcoming social space, crowned by high-gloss teak paneling and handcrafted cabinetry; to port a U-shaped galley is appointed with white Corian countertops, SubZero refrigeration and an additional pair of Vitrifrigo double-drawer refrigerator/freezers, complemented by a four-burner cooktop and a Whirlpool microwave/convection oven, while opposite, a face-to-face dinette with a teak table invites lingering meals. The salon's large L-shaped sofa conceals abundant storage, and two barrel chairs, a teak hi/lo table and wet bar elevate relaxed gatherings and effortless hosting. At the helm, a pop-up electronics control presents a comprehensive, top-tier suite: dual Garmin GPSMAP plotters with radar, a Furuno fish finder, a Simrad autopilot, Icom VHF radios and a Danforth compass provide precise navigation and situational awareness, supported by a reverse video monitor; entertainment comes courtesy of a JVC flat-screen TV, a Sony CD changer and a TracVision satellite system, while four closed-circuit cameras—two in the engine room, one in the cockpit and one in the salon—add watchful visibility and peace of mind. Mechanical excellence underscores every mile: the twin Detroit Diesel 12V92TA powerplants have been freshly overhauled and run approximately one hundred hours since rebuild, offshore power is assured by Phasor Marine generators rated at 21 kW and 12.5 kW, and climate control is delivered by four Cruisair A/C units totaling 60,000 BTU; endurance is equally impressive with 1550 gallons of diesel fuel, 250 gallons of fresh water, a 20-gallon electric water heater and a water pump installed two years ago. On deck, LB CAKE is purpose-built for serious sportfishing and unhurried leisure: the teak cockpit, toe rails and bow pulpit project timeless Buddy Davis elegance, while a tower with a buggy top, a true tuna tower and electric teaser reels extend your reach to the bite; a spacious cockpit freezer, abundant rod holders and a teak Pompanette fighting chair anchor a cockpit ready for tournament days and family excursions alike. LB CAKE stands apart by pairing the legendary Buddy

Davis ride and silhouette with the updates today's owners expect, a massive salon, well-appointed staterooms and an oversized fishing cockpit make her equally at home chasing billfish or cruising in style, and this rare offering is priced competitively and ready for her next discerning owner—schedule your private showing in New Bern, NC, today.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
