OVERVIEW

"Current price" is provided for guidance only, and all reasonable offers will be considered. The 2009 EdgeWater 170CC presents itself as a highly desirable pre-owned center console notable for its unsinkable construction and impressive retention of value, admired for a meticulous build quality and an assured, seaworthy demeanor. EdgeWater's Single Piece Infusion (SPI) manufacturing method produces a fiberglass hull that is lighter, stiffer, and more durable, while the pronounced deep-V hull form and efficient 17-foot arrangement deliver a composed, dry ride and an intelligent allocation of deck and storage space. Equally at ease as a trailerable outboard dayboat, a bay boat, or a compact sportfishing runabout, this versatile platform handles inshore and nearshore excursions with the pedigree and dependability expected of a premium center console fishing boat and tender.

This particular 170CC is primed for a repower: the installed Yamaha 115 experienced an overheat event and is currently seized. Cosmetic improvements are straightforward—a professional detail and buffing will significantly refresh the finish—and the sale includes a galvanized single-axle bunk trailer, transferred without title or paperwork. Viewings are welcome at your convenience; please inspect closely and submit your best offer.

We can coordinate both domestic and international transport, including the fabrication of custom cradles and delivery to port for export, simplifying logistics from your door to the dock. No representations are made regarding the condition of engines, systems, or machinery; all photographs are supplied for reference only, and prospective purchasers bear sole responsibility for inspection and assessment. Do not assume any accessories or loose gear are included or held in storage—the purchase is strictly as seen on site.

All particulars are presented in good faith but are not guaranteed and may change without notice; the vessel remains subject to prior sale, price revision,

or withdrawal. All marine property is offered AS-IS, WHERE-IS, without warranty—express or implied—including merchantability or fitness for a particular purpose. No verbal agreements shall modify the terms of this sale.
