## OVERVIEW

---

“The current price” is provided solely as a guide; sincere offers will be received and considered with courtesy. This 2019 War Eagle 17 is a purpose-built, lightweight aluminum bass boat designed for skinny-water angling, offering a supremely stable and confidence-inspiring fishing platform that makes the most of available space and deck layout. Renowned for its all-welded aluminum hull and signature winged transom, War Eagle construction confers exceptional toughness and poise, preserving handling and reliability when conditions become lively. At 17 feet in length this nimble freshwater fishing craft delivers an elegant equilibrium of maneuverability, shallow-draft access and spirited performance—an ideal pick for anglers pursuing fish across lakes, rivers and narrow creeks. Presented as a like-new 17-foot sportfishing package, this boat represents a refined opportunity for the discerning buyer. Kept exclusively in freshwater and stored indoors under cover, the vessel shows very low hours and presents in near-new condition. Equipment includes a MINN KOTA trolling motor, a Mercury 5 hp kicker outboard, a Humminbird fish finder, SeaDek decking, plentiful storage, protective boat and engine covers, and a newly fitted Bimini top, all arranged to deliver a turnkey experience for your next inshore excursion—viewings are welcome and best offers will be entertained.

A trailer is not included in the sale. Shipping nationwide can be arranged through a certified marine carrier, with custom cradles and port delivery services available for international export; our Mendon, MA office can coordinate logistics and provide quotations. If required, trailers can be sourced through our St. George, SC location upon request. For the current condition and status of the engine(s), please refer to the Motors and Machinery Disclaimer. Nationwide transportation support is available via a vetted maritime logistics partner, and our Mendon, MA team can manage tailor-made

cradles and export arrangements along with pricing.

No representation is made regarding the condition of engines, motors or other onboard machinery; photographs may show machinery spaces, but it is the buyer's responsibility to inspect and satisfy themselves as to actual condition. Do not assume that any accessories or loose gear are stored aboard or included; this asset is offered strictly as viewed and bidders should submit proposals based on the equipment observed at inspection. The Company provides the particulars of this vessel in good faith but cannot guarantee the accuracy of the information or the vessel's condition, and prospective buyers are urged to verify any details they consider important. This offering is subject to prior sale, change in price or withdrawal without notice. All marine assets, whether owned by the Company or offered on consignment, are sold AS-IS, WHERE-IS, with NO WARRANTY OR GUARANTEE, EXPRESS OR IMPLIED, including NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, and no verbal agreements will modify these terms.
