# DETAILED DESCRIPTION

---

## Section name

---

This yacht exemplifies adaptability and ease of ownership, remaining a beloved choice since 1992. Crafted to seamlessly integrate into your lifestyle, it fits your garage, tow vehicle, and budget while surpassing international safety standards. The electronic suite is extensive, including a depth sounder, Yamaha 6Y8 Multifunction Meters for navigation, a compass, and a GPS system with EchoMAP UHD. Entertainment is guaranteed with a Fusion Entertainment radio and speakers in the cockpit.

Inside, the yacht is fitted with a manual bilge pump for your peace of mind. Outside, a swimming ladder enhances the convenience and enjoyment of your water adventures. The manufacturer's description underscores the yacht's lasting popularity and versatility, highlighting its capacity to fulfill various needs while upholding high safety standards.

Standard features comprise a 12-volt power outlet on the dashboard, a spacious storage compartment in the bow, and an electric horn. The yacht includes a compass, a trolling motor harness and plug, and storage beneath the console. The sleek design is accentuated by a low-profile stainless steel bow rail and a tinted windshield with a stainless steel grab rail. Additional storage is found in the rear compartment, and the flip-flop cooler seat with a backrest provides both comfort and practicality.

The polished stainless steel steering wheel with anti-feedback mechanical steering ensures smooth handling, complemented by an engine builder matched analog gauge package. The yacht also includes a cooler seat, a molded swim platform with a stainless steel ladder, and a bilge pump with an automatic switch. The built-in fuel tank and foam-injected fiberglass stringer system enhance durability, while the self-bailing cockpit and ten-year hull

warranty offer extra assurance. Built without wood to prevent rot, the yacht features a spacious bow casting deck, recessed horizontal gunwale rod racks, and black accents.

For fishing aficionados, there are four stainless steel trolling rod holders with integrated drains, courtesy lights, a folding stern light, and a molded non-skid inner liner. Two console-mounted rod racks and stainless steel hardware complete the ensemble. The yacht is prepared for a Garmin ClearVu Transducer Transom/Trolling Motor Mount, ensuring it is equipped for advanced navigation and fish-finding capabilities.
