OVERVIEW

"CURRENT PRICE" IS A GUIDE; earnest offers will be welcomed and given careful consideration. The 1996 Boston Whaler 17 Dauntless artfully marries the practicality of a center console with the sociable layout of a bowrider, offering a robust, fish-ready platform that still retains the refinement and ease expected of a family day cruiser. Celebrated for its timeless profile and the brand's signature foam-filled, Unsinkable hull construction, this 17-foot sport boat performs confidently whether employed as a runabout, bay boat, or dedicated fishing craft—an attractive proposition for those seeking versatility and pedigree in a compact package.

Well presented for its year, this Dauntless is ideally suited to inshore fishing, relaxed coastal passages, and light watersports, making it a charming choice for introducing friends and family to effortless days on the water. We invite qualified buyers to step aboard, feel the ride for themselves, and submit offers with assurance.

Please note a trailer is not included with this sale. We can arrange nationwide transportation and provide export solutions including port delivery, custom cradles, and international shipping logistics. If required, trailers may be sourced through our established network and supplied to meet your needs.

Motors and machinery are shown in photographs for reference only; no representation is made regarding the present condition of engines or associated systems, and it remains the purchaser's responsibility to inspect and satisfy themselves as to the status of all mechanical equipment.

Additional transport services such as domestic delivery and export preparation can be coordinated through our logistics partners, with bespoke options available—ranging from custom blocking to cradle fabrication—to accommodate specialized shipping requirements.

Do not assume that any accessories or loose gear are included or stored

aboard; the vessel is offered strictly as viewed, and all bids should be based on the inventory and condition observed at the time of inspection.

The particulars provided are offered in good faith, but neither accuracy nor completeness is guaranteed or warranted, expressed or implied, and all prospective buyers are encouraged to verify the information independently. Availability may change without notice and is subject to prior sale, adjustment of price, or withdrawal.
