OVERVIEW

The 2024 Bayliner VR4 is a stylish and versatile bowrider, ideal for families and watersport enthusiasts seeking a blend of performance and elegance.

Available for purchase at the current boat location, this vessel spans 18 feet 10 inches in length with a beam of 7 feet 6 inches, comfortably accommodating up to seven passengers and supporting a maximum power of 115 HP.

Its cutting-edge BeamForward design maximizes interior space by extending the full width towards the front, while the AftAdvantage hull design enhances rear seating by placing it at the furthest aft position, allowing the swim platform to extend beyond. Standard amenities include a sleek windshield, a swim platform with a telescoping ladder, in-floor storage for skis and wakeboards, and a waterproof 120-watt AM/FM stereo with Bluetooth connectivity. This yacht offering combines pleasure and functionality in a compact package, making it an attractive choice for those interested in purchasing a yacht at the current boat location.

DETAILED DESCRIPTION

Standard Key Features

This yacht is equipped with a remarkable selection of features crafted to elevate your time on the water. The exterior showcases a refined Impulse Blue Hullsides paired with a contrasting White Bottom, while the interior is elegantly styled in a sophisticated Graphite palette. Listen to your favorite music through the standard speakers, and keep your drinks secure with six strategically placed cup holders. The yacht includes four mooring cleats to ensure stable docking.

The helm seat features a 180-degree swivel, offering the captain both comfort and flexibility. For water sports enthusiasts, the in-floor storage for skis and wakeboards is a valuable addition. The waterproof 120-watt AM/FM stereo provides entertainment wherever you go, while the battery switch and 1200 GPH bilge pump manual deliver crucial functionality and safety.

Other notable features include a 12V blower, a custom sport steering wheel, and an analog trim indicator for accurate control. The fiberglass floor liner enhances both durability and style, and the swim platform with a telescoping ladder allows for easy water access. This yacht seamlessly combines elegance, comfort, and practicality, making it an excellent choice for both relaxation and adventure on the water.

Optional features

This yacht comes with a variety of optional features that enhance both its functionality and elegance. The interior lighting package sets a welcoming atmosphere, while the VR Sport Package in Blue gives the vessel a dynamic and sporty look. For those passionate about water sports, the ski tow pylon is a

crucial addition, offering an ideal setup for towing activities.

The yacht includes a Bimini top with a boot, providing shade and protection from the weather, and the bow well and cockpit cover keep the interior in immaculate condition. The windshield, with its opening center and side wings, improves both ventilation and accessibility.

For those who appreciate accuracy, the digital depth indicator delivers precise water depth readings. The dual battery switch with an additional tray ensures dependable power management, and the Vessel View Mobile system allows for easy monitoring of the yacht's performance. Modern amenities are well-considered, with a wireless phone charger included for effortless device charging.

Rounding out the package is a galvanized swing tongue single-axle trailer with brakes, ensuring the yacht is transported safely and efficiently. These optional features come together to provide a complete and luxurious boating experience, perfectly tailored to the needs of discerning yacht owners.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
