OVERVIEW

The 2024 Bayliner VR4 is a stylish and versatile bowrider, ideal for families and watersport enthusiasts seeking a blend of nimbleness and sophistication. This yacht, available for purchase at its current location, measures 18 feet 10 inches in length with a beam of 7 feet 6 inches, comfortably accommodating up to seven passengers and supporting up to 115 horsepower.

Its cutting-edge BeamForward design maximizes interior space by extending the full width towards the bow, while the AftAdvantage hull design improves rear seating by placing it at the hull's furthest point, allowing the swim platform to extend further. Standard features include a sporty windshield, a swim platform with a telescopic ladder, in-floor storage for skis and wakeboards, and a waterproof 120-watt AM/FM stereo with Bluetooth connectivity. This yacht for sale combines pleasure and functionality in a compact package, making it an attractive choice for those interested in purchasing a yacht at its current location.

DETAILED DESCRIPTION

Standard key features

This yacht features an impressive selection of amenities crafted to elevate your time on the water. The exterior showcases a stunning blue hull paired with a white bottom, while the interior radiates elegance with its graphite color palette. Enjoy quality sound with the standard speakers as you cruise. With six cup holders, refreshments are always conveniently accessible for you and your guests.

For ease and practicality, the yacht is fitted with four mooring cleats, simplifying the docking process. The helm seat is designed for both comfort and adaptability, featuring a 180-degree swivel to easily interact with your environment. Ample storage is provided with in-floor compartments specifically for ski and wakeboard gear, keeping your deck organized.

Music enthusiasts will love the waterproof 120-watt AM/FM stereo, ideal for creating the perfect ambiance on the water. The yacht includes a battery switch for straightforward power management and a 1200 GPH manual bilge pump for safety and reassurance. A 12V blower is also part of the package, ensuring adequate ventilation.

The custom sport steering wheel enhances your navigation with style and precision, while the analog trim indicator offers crucial performance insights. The fiberglass floor liner is both robust and easy to care for, ensuring durability and low maintenance. Lastly, the swim platform with a telescopic ladder provides effortless access to the water, making it ideal for swimming and water sports lovers.

Optional features

This yacht comes with a selection of optional features that enhance both its functionality and elegance. The stainless steel package boosts both durability and visual appeal, including components like cup holders, fuel fill, thru hull fittings, horn vent, bow hatch, latches, and a rub rail. For those who enjoy evening outings, the interior lighting package creates a cozy and welcoming ambiance.

Water sports fans will value the ski tow pylon, offering a reliable and effective way to engage in skiing activities. The bimini top with boot provides shade and protection from the elements, ensuring comfort on sunny days. Additionally, the bow well and cockpit cover offer extra protection when the yacht is not in use.

The yacht is equipped with a windshield featuring an opening center and side wing, enhancing both ventilation and visibility. Music enthusiasts will appreciate the superior sound quality from the Rockford Fosgate stereo system. Navigational convenience is improved with a digital depth indicator, keeping you informed of the water depth at all times.

For tech enthusiasts, the Vessel View Mobile system provides real-time data and monitoring, while the wireless phone charger ensures your devices stay powered throughout your journey. Lastly, the yacht is equipped with a galvanized swing tongue single axle trailer with brakes, making transportation and storage both easy and secure.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
