DETAILED DESCRIPTION

Section name

The Family Sportsman 189 FS is a dynamic and family-friendly center console vessel, meticulously crafted for water sports and leisure pursuits. Whether your family delights in skiing, tubing, camping, or simply navigating the waterways, this model is tailored to fulfill the varied needs of any contemporary active family. The Family Sportsman Series spans models from 179FS to 263FS, ensuring an ideal match for each family's distinct preferences. This boat prioritizes comfort, angling, and safety, making it an excellent option for families who cherish time on the water. It boasts generous seating and storage, offering ample room for everyone and everything required for a day on the water. Furthermore, the boat is equipped with a convenient changing/potty room, enhancing both comfort and practicality during your excursions.

While designed with families in mind, the Family Sportsman does not skimp on the fishing features expected from a center console boat. It is outfitted with rod racks, trolling rod holders, and a live well, ensuring fishing enthusiasts have all they need for a fruitful day on the water. Certain models even feature a macerated fish box, providing an added layer of convenience for dedicated anglers.

In essence, the Family Sportsman 189 FS flawlessly merges technical prowess with thoughtful design, making it an ideal choice for families eager to indulge in both leisure and fishing activities without compromising on comfort or safety.

Propulsion

The heart of this yacht's propulsion is a powerful Yamaha engine, precisely the F150 XB model. This outboard motor features a four-stroke (Outboard-4S) configuration, celebrated for its dependability and efficiency. Delivering a total of 150 horsepower, it offers substantial thrust for smooth and agile maneuvering on the water. Operating on gasoline, it caters to those who favor conventional fuel options. This blend of power and efficiency guarantees that the yacht offers a performance that is both thrilling and reliable, whether you're enjoying a relaxed cruise or tackling more demanding waters.

Specifications

The details of this yacht emphasize its harmonious design and functional attributes, making it a superb option for various aquatic pursuits. With a total length of 18.75 feet and a beam of 8 feet, the yacht provides a roomy and stable base for both leisure and exploration. The transom's deadrise is set at 19 degrees, ensuring a smooth and comfortable journey even in rough waters.

Weighing in at 2,135 pounds when dry, the yacht is both nimble and easy to maneuver. Its fuel tank holds 40 gallons, offering a generous range for longer voyages without the need for frequent refueling. Although the yacht includes a fresh water tank and a holding tank, their specific capacities are not specified, yet they enhance the vessel's convenience and utility.

In essence, these specifications highlight the yacht's ability to offer a rewarding and adaptable boating experience, whether you're planning a day of fishing, cruising, or simply relishing the open sea.
