## OVERVIEW

---

In response to the ever-changing boating landscape, we have thoughtfully refined our boats to cater to the needs of today's vibrant families. The emphasis has transitioned from exclusive fishing to a harmonious mix of cruising and thrilling watersports. Reflecting this evolution, your new Family Sportsman is outfitted with a changing/potty room in every model. Revel in luxurious seating that extends from the front to the back, complemented by conveniently positioned cup holders. The helm seating options are varied, offering a versatile cooler seat with a reversible backrest and the highly desirable Convenience Center leaning post available in the 239FS and the newest 263FS. This feature includes a utensil drawer, tackle drawer, fresh water sink, prep table, and a folding bolster helm seat. Moreover, it features a high-end cooler on a handy slide-out rack that converts into a rear-facing seat. Every Family Sportsman by Key West Boats also includes a generous rear bench seat, ideal for unwinding or enjoying the ride with friends.

These boats remain impressive fishing vessels when needed. Each FS series model, from the 189FS to the flagship 263FS, is equipped with angler-friendly features, such as at least one live well—two in the 263FS—gunnel-mounted trolling rod holders, and molded rod racks in the sidewalls that can hold serious fishing rods. There is ample dash space for flush-mounting your chosen electronics, and the cushions can be easily detached to expose a clean fiberglass non-skid surface. With the Family Sportsman series, there is no need to sacrifice when setting out for an exhilarating day on the water.

This yacht is currently on display at our marina, presenting a prime opportunity for those in the market for a yacht. Delve into yacht sales at the current boat location and find the perfect vessel for your adventures.

# DETAILED DESCRIPTION

---

## Section name

---

As the boating industry evolves, we have keenly adapted our vessels to meet the demands of modern active families, shifting focus from solely fishing to a blend of cruising and watersports. In line with these developments, the latest Family Sportsman models now include a changing/potty room in every model, providing convenience for all family members. These boats are crafted with comfortable seating stretching from bow to stern, enhanced by strategically placed cup holders, ensuring every trip is both enjoyable and relaxing.

The helm seating options are diverse, offering everything from a cooler seat with a reversible backrest to the sought-after Convenience Center leaning post found in the 239FS and the newest 263FS models. This feature-rich option includes a utensil drawer, tackle drawer, fresh water sink, and a prep table, along with a folding bolster helm seat. It also boasts a premium cooler on a practical slide-out rack that transforms into a rear-facing seat, boosting the boat's functionality and comfort. Each Family Sportsman by Key West Boats is fitted with a spacious rear bench seat, ideal for lounging or enjoying the journey with friends.

Despite these family-oriented features, these boats remain formidable fishing machines when needed. Every model in the FS series, from the 189FS to the flagship 263FS, is equipped with angler-friendly features, including at least one live well, with the 263FS offering two. Gunnel-mounted trolling rod holders and molded-in rod racks in the side walls can accommodate serious fishing rods, while the ample dash space allows for flush mounting your preferred electronics. The cushions can be easily removed to expose a clean fiberglass non-skid surface, ensuring no compromises are necessary when setting out for an exciting day on the water.

This boat is currently available at our marina and ready for viewing, offering an ideal combination of family comfort and fishing capability.

## Propulsion

---

This yacht is equipped with a dependable Yamaha engine, specifically the F150XB model, which powers its propulsion system. This outboard engine is a four-stroke (Outboard-4S) type, celebrated for its exceptional efficiency and performance on the water. With a total power output of 150 horsepower, it offers substantial thrust for a smooth and agile ride. Running on gasoline, the engine allows for straightforward refueling and maintenance. This configuration not only provides strong power but also guarantees a quiet and efficient operation, making it an ideal choice for both relaxing cruises and thrilling adventures.

## Specifications

---

This yacht features remarkable specifications that seamlessly blend performance with comfort. Measuring 18.75 feet in length and with a beam of 8 feet, it provides a generous and stable platform for all your aquatic adventures. Weighing in at 2,135 pounds when dry, the vessel is easy to tow and launch, yet it maintains a robust and secure presence on the water. The fuel tank, with a capacity of 40 gallons, is another standout feature, offering an extensive range for longer journeys without the need for frequent refueling. These specifications come together to create a comprehensive boating experience, perfectly balancing dimensions, weight, and fuel efficiency for maximum enjoyment.

## Other details

---

When sharing the specifics of this vessel, the Company endeavors to offer precise and thorough information in good faith. Nonetheless, it is crucial to understand that the Company cannot ensure or certify the accuracy of the details provided, nor can it guarantee the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any particulars they find essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
