DETAILED DESCRIPTION

Section name

Presenting the 2023 ZCB Curlew 18, an exceptional creation in contemporary marine design, crafted for those who value both high performance and opulence on the water. This yacht is paired with a fully welded Sport Trail trailer, making it as simple to transport as it is to sail. At its core is a Mercury 115 Pro engine, with only 75 hours of operation, offering fully digital controls for a smooth and responsive sailing experience.

Equipped with a Rodan trolling motor that remains unused, this yacht invites you to venture into new waters with immaculate equipment. The entire vessel is adorned with a ceramic coating, providing a sleek and resilient finish that shields against the elements while enhancing its visual charm. Inside, the diamond-stitched upholstery exemplifies the meticulous attention to detail and luxury that this yacht embodies.

For those who seek precision and control, the yacht features a power pole and Lenco trim tabs, facilitating effortless adjustments and stability across diverse water conditions. The comprehensive JL Audio system ensures that your aquatic adventures are accompanied by superior sound quality, whether hosting guests or enjoying solitude. Furthermore, the jack plate with helm paddle switches enhances maneuverability, making this yacht not only a delight to own but also a joy to navigate.
