OVERVIEW

Launched in May 2025, the 55-metre superyacht Solemates represents the sixth incarnation in a celebrated lineage, each vessel bearing the name long associated with distinction. This luxury motor yacht is the most persuasive expression yet—envisioned by a discerning owner and realized by a premier collective of designers and shipwrights. Here, meticulous craftsmanship melds with contemporary refinement, seamlessly marrying performance and lifestyle. Confident while remaining restrained, Solemates was conceived for those who value family moments, spirited exploration, and serene, untroubled days on the open water.
