OVERVIEW

This remarkable super yacht promises exceptional cruising capabilities, powered by twin CAT C32 Acert engines, allowing it to achieve an impressive top speed of 18 knots.

Meticulously designed with a focus on proportions and space, S-Force offers luxurious environments typically found on much larger vessels, despite its 500 GT tonnage.

Outdoors, you'll discover expansive and inviting areas, featuring two aft decks equipped with dining and lounge spaces, as well as a sun deck complete with a jacuzzi and various sunbathing options. The main deck showcases a spacious circular area perfect for sunbathing and relaxation, which can also serve as a touch-and-go helipad, ensuring seamless access for guests at all times.

Additionally, a generous garage accommodates an 8-meter tender and an array of water toys for endless aquatic adventures.

The interior of this mega yacht is characterized by sophisticated furnishings and elegant finishes, utilizing rare and luxurious materials in soft hues. With an emphasis on natural light, the large windows illuminate the interiors, particularly in the full-beam main salon and dining area. The main deck houses a refined master suite with a private studio, alongside a full-beam VIP cabin. On the lower deck, five additional cabins are designated for crew, ensuring a seamless experience for all on board.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and performance.
