# OVERVIEW

---

The Global 550 is a state-of-the-art explorer yacht designed to venture into the most sought-after destinations around the globe. This vessel exemplifies exceptional efficiency and environmentally conscious operation. Its lightweight, all-aluminium hull is engineered to withstand cold conditions, while the innovative naval design enables her to achieve speeds of 16 knots and cover an impressive range of 5,000 nautical miles with just two powerful 625 kW engines. Notably, these engines are rated for heavy-duty use, allowing for extensive long-distance journeys. Additionally, the yacht is equipped with advanced exhaust filtration systems, ample freshwater storage, and a sewage treatment facility that meets the rigorous standards for navigating the Great Lakes, Alaska, and MARPOL Special Areas, ensuring she can operate without frequent refueling.

As a genuine explorer, the Global 550 offers numerous vantage points to appreciate breathtaking views, featuring an observation lounge in the crow's nest at an elevation of 11 meters, complete with a steering station, and another lounge on the sundeck. The master stateroom on the main deck includes a generous personal office that can also serve as an additional observation area. This yacht harmoniously blends adventure with relaxation, featuring a spa complete with a sauna and hammam located in the transom. Furthermore, the Global 550 is equipped with a fully functional commercial helipad on the main deck, allowing you to transport your own helicopter for enhanced mobility and security. Finally, the yacht showcases chic, eco-minimalist interiors that seamlessly connect with the wild surroundings, making it a truly unique luxury explorer where you can feel at one with nature. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that redefines exploration.
