# DETAILED DESCRIPTION

---

## Section name

---

This 2007 Stingray 195 LS Bow Rider is an excellent option for those in search of a meticulously maintained and adventure-ready boat for summer escapades. With a dependable Mercruiser 3.0 L Alpha I engine, this vessel has clocked only 540 hours, promising many more hours of enjoyment for its future owner. Outfitted with a Fusion Bluetooth stereo system, it lets you indulge in your favorite music while gliding across the water. The newly crafted custom covers for the bow and cockpit enhance the boat's allure, offering both protection and elegance.

Accompanying this package is a 2010 Sea Lion bunk trailer, simplifying both transport and storage. This boat has been cared for with great attention to detail, preserving its pristine condition and performance. At a price of just \$9,950.00, it represents outstanding value for a boat of this quality. Seize the chance to own this stunning vessel, ideal for crafting unforgettable summer experiences.

## Features

---

This yacht features a premium Fusion radio, delivering superb audio quality and entertainment as you navigate the waters. Complementing its outstanding electronics, the yacht includes a road trailer, which simplifies both transport and storage, ensuring a stress-free experience. Together, these elements provide a smooth and enjoyable boating journey, whether you're exploring the open seas or moving the yacht to your next adventure spot.

## Propulsion

---

This yacht is driven by a powerful Mercruiser engine, the 3.0 ALPHA I model from 2007, offering a total of 135 horsepower. Having accumulated just 540 engine hours, this inboard/outboard engine assures dependable performance for countless future voyages. The stern drive setup boosts both agility and efficiency, making navigation a true delight. Fueled by gas, the engine is matched with a three-blade aluminum propeller, guaranteeing smooth and responsive thrust. This configuration not only delivers strength and accuracy but also enhances the overall pleasurable boating experience.

## Specifications

---

This yacht features remarkable dimensions, with a total length of 19.42 feet and a beam width of 7.58 feet, offering generous space and stability while on the water. Weighing in at 2,500 pounds when dry, it achieves a perfect balance between sturdy build and easy maneuverability. Outfitted with a single fuel tank crafted from durable plastic, it holds up to 21 gallons, providing ample fuel for longer journeys. These specifications come together to create a versatile vessel that is both roomy and efficient, ideal for a wide range of boating excursions.

## Other details

---

The company shares the details of this vessel with sincere intent, striving to offer precise and dependable information. Nonetheless, it cannot assure or certify the accuracy of these details or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they wish to confirm. It is crucial to understand that this vessel is available subject to prior sale, price adjustments, or removal from the market

without prior notice. This approach ensures that interested buyers are well-informed and can make confident decisions.
