DETAILED DESCRIPTION

Standard Key Features

This yacht captivates with its eye-catching Rally Red hull sides paired with a flawless white bottom, while the interior is tastefully adorned in Graphite. Crafted for both comfort and practicality, it includes a built-in cooler and mooring cleats, ensuring ease during your journeys. The helm seat features a 180-degree swivel, offering flexibility and effortless steering. For water sports aficionados, the in-floor storage for skis and wakeboards is a valuable feature. Entertainment is always accessible with a waterproof 120-watt AM/FM stereo that includes MP3 functionality, keeping your favorite music close at hand. The yacht is fitted with a battery switch and a 500gph manual bilge pump, boosting safety and operational effectiveness. Side-mounted engine controls and tilt steering provide precise maneuverability, while the analog trim indicator delivers crucial performance insights.

Designed with both elegance and utility, the yacht includes bow and transom eyes, a bow ladder with a hinged cover, and a helm windscreen for extra protection. The swim platform, featuring a telescoping ladder, invites you to enjoy the water effortlessly. Additionally, an aerated livewell is conveniently situated under the rear bench, appealing to fishing enthusiasts. This yacht flawlessly merges luxury with functionality, making it a perfect choice for both relaxed cruises and thrilling adventures.

Optional features

This yacht comes with a remarkable selection of optional features that elevate both its practicality and opulence. The stainless steel upgrade package infuses a sense of sophistication and resilience, guaranteeing the yacht's components

endure over time. For those who love to entertain, the entertainment layout features a handy sink, simplifying the hosting of gatherings on the water. The Bimini top with boot offers shade and protection from the elements, while the snap-on cover keeps the yacht in immaculate condition when not in use.

Comfort and ease are further enhanced with a portable toilet and a transom shower featuring a demand water system, allowing for refreshing rinses after swimming. The 7-inch glass dash Mercury provides cutting-edge navigation and control, while the automatic bilge pump offers reassurance by effectively managing water levels. A cockpit table adds flexibility to the seating area, ideal for dining or socializing.

The yacht also includes a dual battery switch and an additional tray, ensuring dependable power management. Vessel View Mobile technology enables effortless monitoring of the yacht's systems via a smartphone, keeping you informed and in command. Moreover, a wireless phone charger is provided, ensuring your devices stay charged throughout your voyage. These optional features come together to create a yacht that is as luxurious as it is functional, meeting every need of the discerning sailor.
