DETAILED DESCRIPTION

2024 Scout 195 Sportfish

The 2024 Scout 195 Sportfish is a dynamic and roomy 19-foot vessel, extending 19'5" in length with a broad beam of 8'6". This layout provides plenty of room for easy movement onboard, ideal for reeling in the day's big catch. The boat is outfitted with a standard swim platform, a leaning post featuring an aerated bait well, and a console cooler seat with cushions that can be removed. These elements are enhanced by a selection of optional features, such as a T-top or bimini top and a backrest seating setup with a ski tow bar, appealing to those who love water sports.

The standard features on the Scout 195 Sportfish are meticulously crafted for both comfort and utility. It includes a center console with a grab rail, footrest, and glove box, along with four stainless steel flush mount rod holders and a compass for navigation. The boat is fitted with a 12V plug and two USB outlets, ensuring your devices remain powered. Under gunnel rod storage and four console rod holders offer ample space for your fishing equipment. The swim platform with a ladder and leaning post backrest enhance the onboard experience, while six cup holders keep drinks conveniently accessible.

Additional amenities include a dual battery select switch, a cooler with cushions, and a stainless steel rub rail. The boat is safeguarded with shrink wrap, and stern, bow, and midship pull-up cleats provide secure docking options. Stern jump seats offer extra seating, and BayStar hydraulic steering ensures smooth maneuverability. For added atmosphere, LED under gunnel lights brighten the deck, making the 2024 Scout 195 Sportfish an ideal fusion of functionality and elegance for any maritime adventure.
