DETAILED DESCRIPTION

Section name

This yacht is a recent acquisition, appearing almost brand new with just 15 hours on its Yamaha 150 four-stroke engine. It features a stylish stainless steel bimini top and a 9" Garmin display with a GT 21 transducer, ensuring all essential navigation tools are readily accessible. The Fusion stereo system, equipped with four speakers, delivers an outstanding audio experience as you glide across the water. The Sea Star hydraulic steering upgrade enhances maneuverability, while the forward seating backrest adds extra comfort for your guests.

Outfitted with Lenco trim tabs and an LED indicator switch, this yacht offers precise control and stability. A raw water washdown system is included, simplifying the cleaning process after a day of exploration. The 195 Sport Dorado is expertly crafted to support all your aquatic activities, offering generous rod storage with four stainless steel flush-mounted rod holders, under-gunnel rod storage, and six console rod holders.

For dedicated anglers, a port aft recirculating baitwell is available to keep your bait fresh. The bow cushion set enhances comfort, while under-gunnel LED lights add a touch of sophistication and visibility for evening excursions. A swim platform with a ladder provides easy water access, and cleverly hidden storage compartments in the bow cushion backrests offer smart storage solutions for your equipment. This yacht perfectly combines functionality and elegance, poised to enhance your boating adventures.

Propulsion

This yacht is driven by a powerful Yamaha engine, the F150XB model, which

provides an impressive 150 horsepower. Having been used for just 15 hours, this outboard four-stroke engine is nearly new, guaranteeing dependable performance and efficiency. Built to operate on gasoline, it ensures a smooth and potent journey, making it ideal for both relaxed cruising and thrilling adventures. The Yamaha F150XB is celebrated for its robust construction and cutting-edge engineering, offering you the assurance and ability to navigate the waters effortlessly.

Specifications

This yacht features remarkable proportions, with a total length of 19.42 feet and a beam width of 8.5 feet, offering generous space for both comfort and utility on the water. Weighing in at 2,628 pounds when dry, it is an easily navigable vessel for both experienced mariners and those new to sailing. The design includes a 19-degree deadrise at the transom, enhancing its stability and smooth maneuverability across diverse water conditions. With a single fuel tank capable of holding 43 gallons, it ensures fuel efficiency and an extended range, allowing for longer voyages without the need for frequent refueling. These specifications underscore the yacht's harmonious design, blending performance with practicality to deliver an outstanding boating experience.
