DETAILED DESCRIPTION

Section name

The 195 Sport Dorado is meticulously designed to elevate all your aquatic excursions. This adaptable craft offers generous rod storage, featuring four flush-mounted rod holders made of stainless steel, storage beneath the gunnels, and six rod holders on the console, ensuring your fishing equipment is always easily accessible. A recirculating baitwell at the port aft enhances its angler-friendly attributes, while the bow cushion set ensures comfort during relaxed cruising.

Equipped with LED lights under the gunnels, the boat creates a welcoming atmosphere for evening trips. The swim platform with a ladder provides convenient water access, and the cleverly hidden storage compartments in the bow cushion backrests offer smart solutions for storing essentials. The dual console features grab rails, a glove box, and full cushions, ensuring both safety and comfort.

Additional amenities include a compass, horn, and a USB/USB-C combo port along with an extra USB port for all your charging needs. The Fusion Bluetooth stereo system, with four 6-inch speakers, provides excellent sound quality for entertainment on the move. The hull is adorned with a silver pinstripe, adding a touch of sophistication to its appearance.

Practical features such as a battery on/off switch, stainless steel rub rail, and shrink wrap are included, along with pull-up cleats at the stern, bow, and midship for secure docking. The stern jump seats offer additional seating, while the BayStar hydraulic steering and tilt helm ensure smooth and responsive navigation. With seven strategically placed cup holders, your drinks are always within easy reach.

The 195 Sport Dorado effortlessly blends practicality with elegance, making it a

perfect choice for both passionate fishermen and those looking for leisurely days on the water.

Propulsion

The 195 Sport Dorado is equipped with a powerful Yamaha engine, the F150XB model, which offers a remarkable 150 horsepower. This four-stroke outboard engine is crafted for both efficiency and dependability, guaranteeing a smooth and potent performance on the water. Fueled by gasoline, the Yamaha F150XB strikes an ideal balance between power and fuel efficiency, making it perfect for both relaxed cruises and thrilling adventures. With this propulsion system, the 195 Sport Dorado delivers an effortless combination of speed, agility, and endurance, accommodating a diverse array of boating activities.

Specifications

The 195 Sport Dorado features remarkable dimensions, with a total length of 19.42 feet and a beam width of 8.5 feet, offering plenty of room for both comfort and practicality on the water. Weighing in at 2,628 pounds when dry, this vessel is designed for stability and easy maneuverability. Its design includes a 14-degree deadrise at the transom, which enhances its performance and smoothness, particularly in rough waters. The fuel efficiency is bolstered by a spacious fuel tank holding 43 gallons, enabling longer trips without the need for frequent refueling. These specifications ensure that the 195 Sport Dorado is perfectly equipped to provide a harmonious and pleasurable boating experience.

Other details

The Company provides the information about this vessel with sincere

intentions, but it is crucial to understand that it cannot ensure the accuracy of these details or guarantee the vessel's condition. Potential buyers are advised to have their agents or surveyors conduct a comprehensive examination and confirm any specifics they find essential. This vessel is on the market, yet it may be sold, have its price adjusted, or be removed from sale without prior notification.
