OVERVIEW

This exquisite 19-foot yacht stretches to 19'5" in length and features a wide beam of 8'6", offering plenty of space for easy navigation on board while also being ready for your next big fishing adventure. The vessel is equipped with a standard swim platform, a leaning post with an aerated bait well, and a removable cooler seat with luxurious cushions, all of which enhance the enjoyment of this fuel-efficient model. For water sports enthusiasts, optional enhancements include a T-Top or Bimini Top and a backrest seating configuration with a ski tow bar.

The yacht for sale comes with a range of factory options, such as Sea Star Hydraulic Steering and a Fusion Bluetooth Stereo system upgraded with JL Audio speakers (4 - 6 1/2"). Additional comforts include bow cushions, a console cover, and forward seating backrests. The T-Top enclosure is made from powder-coated aluminum and is fitted with an aft spreader light, rocket launchers, and a T-bag. Other notable features include a battery charger, LED trim tab indicator switch, trim tabs, a porta potti, raw water washdown, and a recirculating leaning post live well. Enjoy the practicality of bow rod/cup holders (2) and a powder-coated ski tow, along with a center stern seat and backrest. Discover yacht sales at the current boat location and take advantage of the chance to purchase a yacht that seamlessly combines elegance and practicality.

DETAILED DESCRIPTION

Section name

This elegant 19-foot yacht, extending to 19'5" in length and featuring a broad beam of 8'6", provides a spacious environment for easy movement on board, as well as ample space for reeling in your big catch. Standard amenities include a swim platform, a leaning post with an aerated bait well, and a console equipped with a removable cooler seat and cushions. These are further enhanced by a remarkable selection of optional features that boost the versatility and allure of this fuel-efficient model.

For water sports enthusiasts, the yacht can be outfitted with an optional T-Top or Bimini Top, complemented by a backrest seating configuration and a ski tow bar. The factory options elevate the experience with Sea Star hydraulic steering and a Fusion Bluetooth stereo system, enhanced with JL Audio speakers for exceptional sound quality. Comfort is further ensured with bow cushions, a console cover, and forward seating backrests.

The yacht's T-Top is crafted from powder-coated aluminum and includes an aft spreader light, rocket launchers, and a T-Bag for added convenience. Additional features include a battery charger and an LED trim tab indicator switch, along with trim tabs for enhanced stability. For added convenience, a Porta Potti and raw water washdown are provided, as well as a recirculating leaning post live well. Bow rod and cup holders, a powder-coated ski tow, and a center stern seat with a backrest complete the thoughtful array of features designed to enrich your time on the water.

Propulsion

This vessel is equipped with a powerful Yamaha engine, the F150XB model,

which offers an impressive 150 horsepower. As an outboard-4S type, this engine is celebrated for its dependability and efficiency, making it an ideal option for those who prioritize both performance and fuel savings. Fueled by gas, this propulsion system guarantees a smooth and robust journey, enabling you to traverse the waters with assurance and comfort. Whether you're enjoying a relaxed cruise or craving a burst of speed, this Yamaha engine delivers the flexibility and power essential for an exceptional boating adventure.

Specifications

This yacht impresses with its remarkable dimensions, featuring an overall length of 19.42 feet and a beam of 8.5 feet, ensuring plenty of room for both comfort and agility. With a maximum bridge clearance of 7.58 feet, it navigates effortlessly beneath a variety of bridge heights. The vessel's dry weight is 2,659 pounds, crafted for both stability and ease of control.

The yacht's transom boasts a deadrise of 19 degrees, enhancing its performance across diverse water conditions and guaranteeing a smooth, stable journey. Its fuel tank is notably capacious, holding up to 43 gallons, which supports longer voyages without the need for frequent refueling. These specifications come together to form a yacht that is as practical as it is pleasurable, offering an ideal blend of size, weight, and fuel efficiency for an outstanding boating adventure.

Other details

In offering the particulars of this vessel, the Company acts with integrity, aiming to deliver precise and thorough information. Nonetheless, it is crucial to acknowledge that the Company cannot ensure or certify the accuracy of the details provided, nor can it guarantee the vessel's condition. Potential buyers

are advised to employ their own agents or surveyors to meticulously examine and confirm any specifics they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notification.
