OVERVIEW

1966 Century Arabian

This beautifully restored Arabian has been in our care for the past three years, during which we have diligently maintained both its mechanical components and its exquisite woodwork. It is in flawless condition and ready for your next journey!

With its graceful mahogany decks, durable WEST system bottom, and powered by an Interceptor 390 engine with 285 horsepower and a V-Drive, this yacht promises an exhilarating experience on the water. It is fitted with saddle tanks and features a handy hydraulic lift for the engine hatch, providing easy access. The interior has been carefully updated to preserve the original color palette and unique Century details. Although the hardware for the factory optional convertible top is included, the top itself is not provided. A well-balanced single axle trailer and a protective mooring cover are also part of this outstanding yacht offering. Discover yacht sales at the current boat location and take advantage of the chance to purchase a yacht that epitomizes luxury and performance!

DETAILED DESCRIPTION

Section name

This exquisitely refurbished 1966 Century Arabian exemplifies timeless elegance and precise craftsmanship. Under our stewardship for the last three years, we have maintained both the mechanical systems and the woodwork in immaculate condition, ensuring this vessel is primed for endless enjoyment on the water. The yacht features breathtaking mahogany decks and a WEST system bottom, offering both resilience and visual allure.

Driving this classic

gem is an Interceptor 390 engine delivering 285 horsepower, paired with a V-Drive, guaranteeing a smooth and powerful journey. The yacht is outfitted with saddle tanks and includes a sleek hydraulic lift for the engine hatch, blending modern convenience with its vintage allure. The interior has been accurately restored, preserving both the color scheme and the original Century details, ensuring an authentic experience.

Although the hardware for the

factory optional convertible top is included, the top itself is not provided, allowing for personalization. The yacht is accompanied by a well-balanced single axle trailer, facilitating easy transport, and a mooring cover to safeguard your investment. This 1966 Century Arabian is more than just a boat; it's a historical treasure, ready to craft new memories on the water.

Other details

The company offers the information about this vessel with sincere intentions, striving to give potential buyers a thorough understanding. However, it is crucial to acknowledge that we cannot guarantee the precision of this information or the vessel's condition. We highly advise buyers to have their

agents or surveyors meticulously verify any details they seek to confirm. This vessel is available with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.

Features

This yacht features an electric bilge pump, guaranteeing effective water control and tranquility during your time on the water. Moreover, it includes a road trailer, offering easy and safe transport solutions for your vessel. These attributes boost both the yacht's functionality and adaptability, making it an ideal option for any boating aficionado.

Propulsion

This yacht is driven by a sturdy Ford Interceptor engine, model 390, dating back to 1966. Delivering a total of 285 horsepower, this inboard engine promises robust and dependable performance on the water. With just 82 hours of operation, the engine is in superb condition and ready for countless more journeys. It boasts a direct drive system, enhancing the vessel's efficiency and responsiveness. Running on gasoline, the propulsion setup is further enhanced by a three-blade bronze propeller, renowned for its strength and superior performance. This blend of features ensures the yacht offers a smooth and powerful ride, making it a perfect choice for those who value both classic engineering and dependable performance.

Specifications

This yacht combines remarkable speed with luxurious comfort, boasting a cruising speed of 25 knots and reaching up to 40 knots at maximum, promising thrilling experiences on the water. With an overall length of 19.5 feet and a

beam of 8 feet, the yacht offers a spacious and well-proportioned design. It can easily host up to five guests, making it ideal for family excursions or intimate group outings. The vessel is fitted with two aluminum fuel tanks, each holding 15 gallons, providing sufficient fuel for longer voyages. These features underscore the yacht's ability to offer both high performance and convenience, making it a superb choice for those who desire both excitement and relaxation on the water.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide.
