## OVERVIEW

---

The listed figure is a benchmark and all sincere offers will be courteously considered. The 2018 Tracker Pro Team 195 TXW occupies a commanding position in the aluminum bass-boat category, projecting a big-water stance while carrying the sleek poise and composure of a fiberglass rival without the concerns of gelcoat maintenance. A generous 39-square-foot forward casting deck provides a tournament-caliber expanse to work from, and the ultra-wide 98-inch beam keeps the deck superbly level and confident beneath your feet. At 19 feet overall, this trailerable bass boat strikes a graceful balance between performance and practicality for freshwater sportfishing, runabout versatility, and effortless dayboat duty, all built on a rugged, lightweight aluminum hull designed to partner seamlessly with an outboard setup.

Garaged since ownership, the vessel presents attractively and is reported to be ready to fish, offering a stable, inviting platform for tournament anglers and weekend parties alike. Step aboard, picture a sunrise pursuit or competitive day on the water, and submit your offer with assurance in the boat's capable demeanor.

A matched trailer accompanies the boat to complete the package. The included Tracker Marine single-axle bunk unit simplifies launch, retrieval, and storage, making lake- and river-side getaways straightforward and efficient. Nationwide and international transport can be coordinated through professional marine logistics providers, with custom cradles and port delivery available upon request.

Please see the Motors and Machinery Disclaimer. No statements are made regarding the condition of engines or onboard systems. Images may depict machinery spaces, yet it remains the buyer's sole responsibility to inspect and verify all systems and equipment. Do not assume any accessories or loose gear are included or in storage; the vessel is sold strictly as seen. Submit your offer

or bid based on the inventory present at the time of your viewing.

The particulars of this vessel are presented in good faith but are not guaranteed; buyers are encouraged to independently verify all details. This boat is offered subject to prior sale, price change, or withdrawal without notice. All marine assets, whether owned or brokered, are sold AS-IS, WHERE-IS, with NO WARRANTY—express or implied—including, without limitation, any warranties of merchantability or fitness for a particular purpose. No verbal agreements shall modify these terms.

An elegant, capable, and confident fishing platform, this aluminum sportfisher and freshwater fishing boat is equally at home as a nimble dayboat or a tournament-ready bass rig—built to travel, ready to perform, and styled to stand out.
