OVERVIEW

Current asking price is a guide only; all reasonable offers are cordially invited. The 2011 Chaparral 196 SSI is a sleek, nimble bowrider that marries refined fiberglass styling with a confidence-inspiring deep-V hull, delivering poised, lively performance across varied conditions. Measuring approximately 20 feet overall with an 8-foot beam, this trailerable dayboat comfortably accommodates up to nine guests and transitions effortlessly from languid cruising in sheltered coves to spirited runabout duty on open water. Designed for both enjoyment and practicality, the cockpit offers an inviting balance of lounge-worthy seating and ergonomic functionality, with a well-conceived helm and ample onboard storage that make it an ideal choice for family days, watersports and short escapes.

Reported to be in good condition and ready for immediate use, this attractive 196 SSI has been rack stored, displays no bottom paint and presents a neat, well-maintained interior—evidence of considerate ownership and straightforward upkeep. Prospective buyers are invited to step aboard and consider this versatile 20-foot bowrider with confidence.

A trailer is not included with the sale; however, nationwide transportation can be organized on request, with custom cradles available and coordination for port deliveries for international shipment provided as needed. Trailers may be sourced separately through our St. George, SC location, and our logistics team stands ready to assist with cost estimates and scheduling to simplify the movement from pickup to final delivery.

Please refer to the Motors and Machinery Disclaimer below for information regarding propulsion and mechanical systems. No representation is made about the condition of the engine or related equipment, and any photographs of the engine bay or mechanical components are supplied for reference only. As with any sterndrive power craft or inboard/outboard runabout, buyers are

strongly encouraged to arrange an independent inspection to assess performance and maintenance requirements prior to purchase.

Do not assume that accessories or loose gear are included in storage; the vessel is offered strictly as seen, and offers should reflect the inventory at the time of viewing. All particulars are provided in good faith, yet no warranty or guarantee—express or implied—is made as to the accuracy of the information or the condition of the boat, and the listing remains subject to prior sale, price revision or withdrawal without notice. Prospective purchasers should verify any facts they consider material to their decision.

All marine products, whether owned or brokered by the seller or its affiliates, are conveyed strictly AS-IS, WHERE-IS, with no warranty or guarantee, express or implied, including any warranties of merchantability or fitness for a particular purpose, and no verbal agreements or representations shall form any part of the sale.
