DETAILED DESCRIPTION

New Brokerage Listing

Here is an exceptional chance to acquire a 2019 Key West 203 DFS, a chic and adaptable boat ideal for both coastal excursions and open-sea journeys. This vessel is presented in a sophisticated white color and features a comprehensive bimini isinglass enclosure, offering superb protection against the elements and a cozy shield from the wind. At its heart is a dependable Yamaha 150 four-stroke engine, with just 47 hours of operation, promising countless adventures ahead. The Key West 203 DFS is equipped with a Garmin 9" Multi-Function Display (MFD) and a Garmin VHF radio, enhancing your ability to navigate and communicate on the water. For your entertainment, the boat includes a Jensen Bluetooth stereo system, perfect for enjoying music while you sail. The addition of Lenco trim tabs with an indicator light and a tilt helm further improves the vessel's handling and comfort. This boat has been sold and carefully maintained by our Chatham team, ensuring it remains in top-notch condition. Although a trailer is not part of the package, one can be arranged to meet your requirements. Whether you're setting out for a beach day or a more extended voyage, this Key West 203 DFS is poised to offer an outstanding boating experience.

Other details

In offering the specifics of this yacht, the Company acts with integrity, striving to deliver a thorough summary for interested buyers. Nonetheless, it is crucial to understand that the precision of this information is not guaranteed, nor is the condition of the yacht assured. Potential buyers are advised to employ their agents or surveyors to meticulously examine and confirm any details they find essential. This yacht is still on the market, but it may be sold, have its price

adjusted, or be removed from sale without prior notification.

Propulsion

This yacht is equipped with a powerful Yamaha engine, the F150XB model, crafted in 2019. Offering a total of 150 horsepower, this outboard engine guarantees a seamless and efficient journey. Having clocked just 47 hours, the engine is nearly new, ensuring dependability and durability for upcoming voyages. Built to operate on gasoline, this propulsion system merges performance with Yamaha's renowned engineering, making it an ideal option for those desiring both strength and efficiency on the water.
