DETAILED DESCRIPTION

Section name

This 1946 Chris-Craft Custom Runabout stands as a treasured jewel among the classic "small" Chris-Craft vessels, cherished by a local family for many years. Its timeless allure is complemented by the meticulous maintenance it has enjoyed. The boat features a recently updated bottom, ensuring durability and excellent performance on the water. Inside, it is beautifully appointed with rich red leather and kapok cushions, providing both comfort and a hint of vintage charm. The sophisticated folding windshield and the distinctively curved transom, crafted in two planes, enhance its unique character.

We have

recently completed a comprehensive restoration of this stunning vessel, ensuring it is in top condition and ready to be admired. Accompanying the boat is a single axle storage trailer, facilitating easy transport and storage. This classic runabout is not only prepared for enjoyment on the water but is also competitively priced at \$102,000, presenting a rare chance to own a piece of nautical history.

Other details

The Company provides the information about this vessel with sincere intentions, but it is crucial to understand that we cannot guarantee or ensure the precision of these details, nor can we vouch for the vessel's condition. Potential buyers are advised to consult their agents or surveyors to meticulously examine and confirm any specifics they consider essential. This vessel is on the market for purchase, yet please be advised that it may be sold, have its price adjusted, or be removed from the market without prior notice.

Features

This yacht features an electric bilge pump, guaranteeing effective water control and tranquility during your time on the water. Furthermore, it includes a launching trailer, offering effortless and convenient transport and deployment of the vessel. These attributes significantly boost the yacht's overall functionality and user satisfaction, making it a sensible and attractive option for any boating aficionado.

Propulsion

This yacht is driven by a sturdy Chris-Craft engine, the MBL model from 1946, offering a total power of 158 horsepower. It features an inboard engine with a direct drive system, guaranteeing smooth and efficient movement. Fueled by gas, it promises dependable performance for your sea voyages. The yacht is fitted with a three-blade propeller crafted from resilient bronze, boosting its overall efficiency and longevity. This propulsion setup not only showcases the timeless engineering of its era but also delivers a robust and reliable experience on the water.

Specifications

This yacht features a harmonious design, with a total length of 20 feet, a freeboard of 2.5 feet, and a beam width of 6.58 feet, ensuring a stable and comfortable journey. Weighing in at 3,800 pounds when dry, it is crafted for both high performance and lasting durability. The yacht can easily host up to six guests, making it perfect for family excursions or intimate gatherings on the water. Powering your voyages is a single steel fuel tank with a 30-gallon capacity, providing ample range for longer adventures. These specifications underscore the yacht's well-considered design and capabilities, making it a

flexible option for a wide range of boating activities.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
