DETAILED DESCRIPTION

Section name

This yacht seamlessly combines elegance, performance, and opulence, featuring a host of amenities that enhance both comfort and practicality. The MPP period for this vessel spans from May 2, 2025, to May 2, 2027, offering assurance to the future owner. Within, the yacht is adorned with a sophisticated Interior Lighting Package that enriches the atmosphere, ensuring each voyage is unforgettable.

For those seeking a sporty touch, the VR Sport Package in a vibrant blue adds a lively accent to the yacht's appearance. Water sports lovers will delight in the Ski Tow Pylon, promising endless aquatic enjoyment. The Bimini Top with Boot offers crucial shade and protection from the elements, while the Bow Well and Cockpit Cover keep the yacht in immaculate condition.

Navigating is effortless with the Windshield, featuring an Opening Center and Side Wings, providing both protection and airflow. Entertainment is enhanced with Bow Speakers, delivering premium sound throughout your journey. The 7" Glass Dash, powered by Mercury, provides cutting-edge navigation and control, ensuring each trip is smooth and efficient.

Safety and ease are prioritized, as shown by the Automatic Bilge Pump, which offers reassurance by keeping the bilge dry. Transporting the yacht is simplified with the Galvanized Swing Tongue S/A Trailer with brakes, ensuring safe and easy travel to your next destination. This yacht is more than just a vessel; it's a portal to extraordinary adventures on the water.

Extra option

This yacht boasts an extensive selection of additional features crafted to

elevate safety, convenience, and pleasure on the water. It is outfitted with extra anchors, providing stability and security while docked. The full coverage option offers reassurance, safeguarding the vessel against unexpected events. Safety remains paramount, highlighted by the provision of nine life jackets for passengers and an extra one specifically for a dog, ensuring comprehensive protection for everyone on board. The dual battery setup is enhanced by a solar battery charger, keeping both batteries fully charged. This is especially beneficial when the yacht is docked at the marina or when you wish to enjoy music with the engine off, without the risk of depleting the batteries.

A first aid kit is available on board, prepared to handle any minor medical issues that may occur during your journey. For organization and storage, the yacht features a hermetic organizer and stackable drawers, offering ample space to keep your belongings safe and orderly. Six fenders are included to shield the yacht from damage during docking or mooring.

Moreover, the yacht is equipped with a telescoping boat hook pole, which retracts for easy storage and use. This tool is essential for managing lines and retrieving items from the water. Altogether, these additional features make this yacht a well-equipped and adaptable option for any seafaring adventure.
