## Section name

---

The Manufacturer Provided Description of the M-205 yacht emphasizes its wealth of standard features and amenities, making it an exceptional choice for boating aficionados. At the helm, you'll discover a fiberglass dashboard with an upholstered visor, paired with an ergonomically crafted helm station. This area is outfitted with Medallion digital instruments, an MP3 adapter, a 12V/USB outlet, and power-assisted tilt steering, ensuring a smooth and pleasurable navigation experience. The yacht offers numerous designated storage spaces throughout, enhancing its practicality and convenience.

The M-205 is crafted with meticulously arranged seating that creates a spacious entertainment area. This includes a starboard side bucket seat with a swivel slider and flip-up bolster, a port side companion seat with a flip backrest, and wrap-around seating in the aft cockpit. The extra-wide bow seating, complete with three removable cushions, provides ample legroom, ensuring comfort for all passengers. To complete the ensemble, there are two standard upholstery options available.

In the cockpit, you'll find a 48 Qt carry-on cooler conveniently placed under a cockpit cushion, a port-molded glove box with a lockable cover, and nine stainless steel drink holders. Black urethane grab handles with stainless steel inserts enhance the yacht's sleek design. The Fusion Satellite Ready AM/FM/USB stereo with Bluetooth connectivity and four Rockford Fosgate 6.5" speakers ensures high-quality sound throughout your journey. Storage is plentiful, with in-floor ski storage featuring a fiberglass hatch and dry deck liner, as well as storage options at the helm, bow seating, port and starboard dash, aft cockpit seating, and engine compartment.

The helm is equipped with a fiberglass dash with an upholstered visor,

Medallion digital instruments, an MP3 adapter, a 12V USB outlet, and a tilt steering wheel with a black finish. The hull and deck feature an Arctic Ice Hull Gelcoat with graphics, an air assist chine, and a barrier coat vinyl ester. Stainless steel bow and stern eyes with backing plates, six stainless steel cleats, a brass garboard drain plug, and an electric flush mount horn are just a few of the features that ensure durability and safety. The yacht comes with a lifetime limited hull warranty, LED navigation lights, NMMA certification, a heavy-duty rub rail with a stainless steel insert, and anchor storage under the forward bow cushion. The integral swim platform, complete with a four-step telescoping ladder recessed with a fiberglass hatch, adds to the yacht's functionality. Additional features include stainless steel thru-hulls above the waterline, a Transhield cover, a walk-thru at the transom, and a curved tempered windshield with a walk-thru.

Seating on the M-205 is designed for comfort and versatility. The extra-wide bow seating comes with three removable cushions, while the bucket seat features a flip-up bolster and manual slide with a swivel function. The port companion seat, with its flip-over backrest, converts to an aft-facing lounge, and the wrap-around seating on the port side and aft cockpit ensures ample space for relaxation and socializing.
