OVERVIEW

A 203 foot (approx. 62 m) steel hulled motor yacht delivered new in 2022 and presently enjoying the turquoise seas off Saint Martin, she marries ocean going resilience with a calm, contemporary elegance. Her full steel construction gives a reassuring stillness and remarkable stability, while sweeping glazing and harmonized lines compose a silhouette meant for horizon seeking passages and gracious island arrivals.

Within, the mood is refined yet unforced, where expansive salons melt effortlessly between inside and outside spaces and natural light sculpts every volume. A serene owner's retreat sits apart from a suite of exquisitely finished guest cabins, each appointed in tactile materials and a muted, modern palette that favors soft ambiance over loud display. Every interior detail has been considered to create a private world of measured luxury and relaxed comfort.

On deck, life is designed to linger. The vast sun deck holds a mosaic lined spa pool surrounded by sun pads and a dedicated bar for late afternoon cocktails, while the upper deck is arranged for alfresco dining and evenings beneath the stars. At water level the beach club unfolds into a sea breeze lounge, an inviting launch point for swimming and days spent drifting between secluded coves. A wellness area, conceived for massage, sauna, or a compact gym, tends to body and mind, and a cinema style media lounge promises memorable, intimate screenings.

Powered by a single MTU engine, she is engineered for range, efficiency, and whisper quiet passages, the propulsion tuned to deliver smooth, steady cruising with the reassurance of a steel platform beneath. Advanced stabilization systems enhance comfort both underway and at anchor, ensuring a seamless continuity from salon to sea. A tender and toy garage supports a playful watersports program, while the aft terrace becomes an elegant stage for black tie evenings when required.

Equally at home as a private family sanctuary or a luxury charter vessel, this 2022 build captures the essence of contemporary grand touring at sea: confident in capability, composed in character, and beautifully proportioned for long range exploration.
