OVERVIEW

Nacre, a sleek 62 m new-build motor yacht from Sarp Yachts in Antalya, Turkey, is a streamlined embodiment of ultra-luxury where advanced technology meets artisanal craftsmanship from bow to stern. She accommodates 12 guests across six staterooms, the centerpiece being a full-beam owner's suite on the main deck with a private office and walk-in wardrobes; this main-deck area can be discreetly partitioned to create a self-contained owner's apartment for close family. On the lower deck, two additional full-beam cabins broaden Nacre 62m's charter appeal, while two twin cabins complete the guest accommodation plan—equally suited to a high-end charter program or private bluewater cruising. Six crew cabins plus a captain's cabin on the bridge deck support a professional team of up to 13, ensuring superyacht-level service throughout this custom motor yacht.
