DETAILED DESCRIPTION

2022 Scout 215 XSF

The 2022 Scout 215 XSF is an exceptional craft, expertly designed with Scout's innovative fuel-efficient NuV3 hull. This boat seamlessly combines practicality and luxury, making it perfect for both dedicated fishing trips and relaxing cruises. Built entirely from hand-laid fiberglass, the 215 XSF boasts a generous beam of 8' 6" and a total length of 21' 6", offering plenty of room for all your sea adventures.

Onboard, you'll discover a range of standard features crafted to elevate your journey. The bow's forward seating is enhanced by a sun lounge, also known as a coffin box, complete with a cushion for extra comfort. Stainless steel split bow rails and a center console with a grab rail ensure safe and easy navigation. For passionate anglers, the boat includes four stainless steel flush mount rod holders at the stern and under-gunnel rod storage, making it a dream for fishing enthusiasts.

Comfort is further amplified with a set of console cushions, aft port and starboard bolsters, and a comprehensive bow cushion set. The 215 XSF also features practical elements like a self-bailing cockpit, reverse shoebox construction, and a stainless steering wheel with a knob. Digital gauges and a silver accent with a pinstripe on the hull add a touch of sophistication to the vessel's appearance.

For those who love entertainment on the water, the Fusion Bluetooth stereo with four 6" speakers delivers excellent sound quality. The boat is also fitted with three USB outlets and a 12V plug, ensuring your devices remain powered. Additional amenities include a compass, ten stainless steel cup holders, and a raw water wash down in the live well.

The 215 XSF is engineered for ease and performance, featuring an aerated

bait-well with a high-speed pickup, an on/off dual battery select switch, and Bay Star hydraulic steering when matched with a 150HP engine. The boat also comes with shrink wrap for protection, port and starboard swim platforms with a ladder, and a powder-coated aluminum leaning post with a backrest and a 72 Qt Igloo cooler.

Access to the aft systems room is simplified with a polished bilge and lid, and the transom door allows for smooth entry and exit. The vessel is illuminated with 100% LED lighting, and the premium gel-coat finish ensures a sleek and refined look. The 2022 Scout 215 XSF exemplifies outstanding craftsmanship and thoughtful design, providing an unmatched boating experience.
