DETAILED DESCRIPTION

Standard Key Features

This yacht exemplifies the pinnacle of design and engineering, seamlessly merging opulence with practicality to leave a lasting impression. Its exterior is adorned in a captivating Black Wide Band hue, while the cockpit is tastefully finished in Sterling, featuring "Envision" Premium Stain Resistant Silicone Cockpit Fabric for both durability and elegance.

To ensure peace of mind, the yacht includes a 5-Year Premier Level Limited Component Warranty, guaranteeing long-term dependability. A spacious 70-quart built-in cooler is conveniently situated beneath the rear bench seat, ideal for keeping beverages cool during your journeys. The yacht's deep freeboard enhances both safety and comfort, while the Deluxe Package adds a layer of sophistication with deluxe badging and six pull-up cleats.

The dual walk-thru transom, paired with a hinged chaise lounge, provides effortless access and relaxation options. The hull, reinforced with Kevlar, offers unparalleled strength and durability, supported by a Lifetime Limited Hull Warranty. The SeaStar Hydraulic Tilt Steering Helm ensures smooth and responsive navigation.

Ample storage is available, with side panels featuring coaming storage, and the slide and swivel bucket seats provide both comfort and adaptability. The yacht is embellished with stainless steel rubrail and grab handles, contributing to its sleek look. Water-resistant circuit breakers guarantee reliable electrical performance, while the wrap-around walk-thru windshield, supported by custom stainless-steel supports, offers protection from the elements without sacrificing style. This yacht is a testament to exceptional craftsmanship and thoughtful design, promising an extraordinary experience on the water.

Optional features

This yacht comes with a selection of optional features that boost both its practicality and visual charm. The Folding Velocity Arch Tower, finished in a sophisticated black, not only enhances its dynamic appearance but also offers practical advantages for watersports lovers. To guard against the elements, the yacht is equipped with a cockpit and bow cover, keeping all areas immaculate and protected from the weather.

Navigating and locating fish is made simple with the Simrad G09 Touch Multifunction Chartplotter/Fish Finder, providing cutting-edge technology at your fingertips. Entertainment is elevated with the Clarion Transom Remote, allowing effortless music control from the yacht's rear.

Safety and ease are prioritized with docking lights, ensuring secure and straightforward maneuvers at night. The yacht also features a galvanized anchor, ensuring dependable anchoring in diverse conditions.

For those needing transport, the yacht is supplied with an aluminum tandem axle trailer, complete with brakes and galvanized wheels, guaranteeing safe and efficient transportation. These optional features come together to provide a comprehensive package that enhances the yachting experience to new levels.
