OVERVIEW

The 219FS is a spacious craft that offers more deck space, rod holders, dry storage, and seating arrangements than its competitors. The ample bow area effortlessly converts from luxurious forward-facing seats with comfortable backrests to twin dry storage or fish boxes, depending on your requirements. The console includes a roomy changing room that doubles as a superb storage area. The dashboard is crafted to support flush-mounted screens up to 12 inches, alongside most radios, instruments, and controls. The rear bench seat features fully lined storage compartments beneath the cozy seating, and the swinging transom door allows for easy entry for swimmers. This yacht is an outstanding option for those interested in purchasing a yacht at the current boat location, making it a remarkable choice in the local yacht market.

DETAILED DESCRIPTION

Section name

The 219FS is an extraordinary craft that distinguishes itself in its category, providing more deck area, rod holders, dry compartments, and seating options than its peers. This sizable boat is crafted with adaptability and comfort at its core, boasting a generous front deck that seamlessly shifts from plush forward-facing seats with supportive backrests to dual dry storage or fish boxes, tailored to your preferences. The console is cleverly designed to include a spacious changing room, which also serves as a remarkable storage area, ensuring ample space for all your necessities. The dashboard is tailored to support flush-mounted screens up to 12 inches, alongside most radios, instruments, and controls, offering a sleek and contemporary interface for navigation and communication. At the back, the bench seat is not only inviting but also features fully lined storage compartments beneath, optimizing space usage without sacrificing comfort. Moreover, the swinging transom door is a considerate addition that facilitates easy access for swimmers, enhancing the boat's overall accessibility and enjoyment. With its harmonious blend of functionality, comfort, and elegance, the 219FS is indeed an exceptional choice for those in pursuit of an unparalleled boating experience.

Propulsion

The yacht's propulsion system is driven by a strong and dependable engine crafted by the esteemed manufacturer, Key West. At the core of this vessel is the F200XSA2 engine model, which offers an impressive total power of 200 horsepower. This outboard-4S engine is engineered to deliver outstanding performance and efficiency, ensuring a smooth and powerful journey on the water. Running on gas, this engine type is celebrated for its robustness and

ease of upkeep, making it a perfect choice for those who desire both power and reliability in their nautical pursuits. With this propulsion system, you can anticipate a flawless combination of speed, control, and efficiency, elevating your entire yachting experience.

Specifications

The yacht's specifications underscore its remarkable design and functionality. With a total length of 21.75 feet and a beam of 8.5 feet, this vessel provides a roomy and stable base for your seafaring adventures. Weighing in at 2,737 pounds when dry, the yacht boasts a sturdy and durable construction capable of withstanding various marine conditions. The transom's deadrise is set at 19 degrees, ensuring a smooth and comfortable journey, even through turbulent waters. The fuel tank is generously sized, holding up to 80 gallons, which allows for long voyages without the need for frequent refueling. As for accommodations, the yacht includes one head, offering essential comfort and convenience for all aboard. These specifications collectively guarantee that the yacht is not only outfitted for high performance but also for comfort and practicality, making it an ideal choice for both relaxing cruises and more adventurous expeditions.

Other details

In offering the details of this yacht, the Company acts in good faith, striving to deliver precise and thorough information. Nonetheless, it is crucial to understand that the Company cannot assure or guarantee the accuracy of this data, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any particulars they find necessary. This yacht is presented with the understanding that it may be sold, have its price adjusted, or be removed from

the market without prior notice. This approach ensures that prospective buyers are well-informed and can make decisions with assurance, knowing that every aspect of the transaction is transparent and straightforward.
