# DETAILED DESCRIPTION

---

## Section name

---

The 215 Dorado is a dual console yacht that perfectly combines sophistication with practicality, boasting a breathtaking frameless wrap-around windshield that accentuates its streamlined silhouette. This vessel comes with a host of standard features crafted to enhance your time on the water. Revel in the immersive sound from the Fusion Bluetooth stereo system, which includes four 6-inch speakers, ensuring your favorite music is always with you. The yacht's hydraulic steering provides effortless and precise control, while the two adjustable captain's chairs, capable of a full 360-degree rotation, offer both comfort and flexibility for the captain and co-captain. The transom is ingeniously designed with dual swim platforms, each featuring a ladder, making boarding and water access a breeze. Whether you're navigating open waters or relaxing in a tranquil cove, the 215 Dorado delivers a harmonious blend of elegance, comfort, and performance.

## Propulsion

---

The heart of this yacht's propulsion system is a powerful Yamaha engine, specifically the F200 model, which boasts an impressive 200 horsepower output. This four-stroke outboard engine (Outboard-4S) is renowned for its efficiency and dependability, delivering smooth and robust performance on the water. Running on gasoline, this engine is crafted to offer optimal power and speed, making it an ideal choice for those who desire both performance and reliability in their nautical pursuits. Whether you're speeding across the waves or taking a relaxed cruise, the Yamaha F200 engine guarantees an exhilarating and efficient voyage.

## Specifications

---

The yacht features remarkable specifications that enhance both its performance and comfort. Measuring 21.5 feet in length, it provides plenty of space for various water activities. With a maximum bridge clearance of 4.83 feet, it navigates smoothly under most bridges. The beam spans 8.5 feet, offering stability and ample room for guests. The hull's design includes a 20-degree deadrise at the transom, ensuring a smooth and steady ride even in rough waters. Weighing in at 3,263 pounds when dry, the yacht is easy to tow and launch. Its fuel tank holds an impressive 82 gallons, allowing for long voyages without frequent stops for refueling. Although the yacht includes a fresh water tank and a holding tank, their specific capacities are not specified, but they are intended to facilitate comfortable living on board. The accommodations feature a head, providing necessary convenience for extended trips. Together, these specifications make the yacht ideal for both relaxing cruises and exciting adventures.
