OVERVIEW

AVAILABLE NOW - NEW ARRIVAL

STOCK IMAGES - VESSEL IS UNDER SHRINK WRAP - OPTIONS MAY DIFFER

Presenting the YAMAHA F200XC, showcasing a captivating shark gray hull as part of the premium package, which includes a powder-coated T-top hardtop with an integrated windshield. This exquisite yacht for sale features forward seating backrests and a practical folding stern seat. Navigate with precision using the state-of-the-art Garmin 8610 display, Garmin B60 transducer, and Garmin 315 VHF. Enjoy seamless maneuverability with Seastar hydraulic steering, enhanced by a console cover and a standard leaning post with a powder-coated hybrid design and an Igloo cooler.

Brighten your voyages with LED underwater lights and utilize the hardtop-mounted rocket launchers and T-bag storage. The Lumitech light bar enriches your nighttime excursions, while the Dometic trim tabs with LED indicator switch offer effortless adjustments. Additional amenities include a coffin box with pump-out, fresh water washdown, a porta potti, and a raw water washdown with a separate pump. The recirculating bait well and bow rod/cup holders enhance convenience.

The 215 XSF is built on Scout's cutting-edge fuel-saving NuV3 hull design, perfectly balancing serious fishing potential with leisurely cruising. Made with 100% hand-laid fiberglass, this yacht features a generous beam of 8'6" and an overall length of 21'6". Its remarkable features include forward seating in the bow, complemented by a sun lounge/coffin box with a plush cushion. Discover yacht sales at the current boat location and seize the chance to purchase a yacht that epitomizes luxury and performance.

DETAILED DESCRIPTION

Section name

The 215 XSF is an exceptional craft that seamlessly blends cutting-edge design with opulent features, making it an ideal option for both passionate fishermen and casual cruisers. This model is a new addition to our inventory, and while the stock images depict the boat under shrink wrap, it's crucial to understand that available options may differ. The vessel is driven by a Yamaha F200XC engine and boasts eye-catching shark gray hull sides, which enhance its sleek and contemporary look.

A standout feature of the 215 XSF is its premium package, which includes a powder-coated T-top hardtop with an integrated windshield, offering both elegance and protection from the elements. The forward seating backrests and the folding stern seat provide flexible seating options, ensuring all passengers enjoy maximum comfort. For navigation and communication, the boat is outfitted with a Garmin 8610 display, a Garmin B60 transducer, and a Garmin 315 VHF, ensuring you have cutting-edge technology at your disposal.

The vessel's maneuverability is improved by SeaStar hydraulic steering, and it includes a console cover and a standard leaning post, which is powder-coated and features a hybrid design with an Igloo cooler. For fishing enthusiasts, the boat is equipped with LED underwater lights, rocket launchers mounted on the hardtop, and a hardtop T-bag storage for added convenience.

Additional amenities include a Lumitech light bar, Dometic trim tabs with an LED indicator switch, and a coffin box pump out. The boat is fitted with both fresh water and raw water washdowns, each with its own pump, and a recirculating bait well for avid anglers. The bow area is thoughtfully designed with rod and cup holders, enhancing the boat's practicality.

Built on Scout's innovative fuel-efficient NuV3 hull design, the 215 XSF delivers

a smooth and economical ride. Constructed with 100% hand-laid fiberglass, the boat features a broad, comfortable beam of 8'6" and an overall length of 21'6". A notable standard feature is the forward seating in the bow, which includes a forward sun lounge/coffin box complete with a cushion, offering an ideal spot for relaxation.

In conclusion, the 215 XSF is a versatile and well-appointed boat that caters to both serious fishing and leisurely cruising, making it a perfect choice for those seeking a harmonious blend of performance and luxury on the water.

Propulsion

The heart of this yacht's propulsion is a powerful Yamaha engine, the F200XC model, which offers a remarkable 200 horsepower. This outboard-4S engine is celebrated for its dependability and efficiency, making it an ideal option for those who prioritize performance and longevity on the water. Fueled by gasoline, this engine guarantees a smooth and potent journey, enabling you to steer with assurance and comfort. Whether you're enjoying a relaxed cruise or craving a burst of speed, the Yamaha F200XC delivers the essential power and efficiency to elevate your maritime adventures.

Specifications

The details of this yacht emphasize its harmonious design and remarkable capabilities. Spanning 21.5 feet in length, the yacht provides generous space for both leisure and activity. Its beam, measuring 8.5 feet, ensures a stable and comfortable experience for everyone on board. With a maximum bridge clearance of 7.75 feet, it navigates smoothly beneath various structures.

Weighing in at 3,301 pounds when dry, the yacht exudes a solid and robust presence on the water. The 20-degree deadrise at the transom enhances its ability to glide through waves effortlessly, promising a smooth and pleasurable

journey even in rough waters.

The yacht's fuel capacity is another significant feature, with a single tank that holds up to 82 gallons. This ample capacity supports extended voyages without the need for frequent stops to refuel, making it perfect for longer excursions. Altogether, these specifications highlight the yacht's combination of performance, comfort, and practicality, making it a versatile option for a wide range of boating experiences.

Other details

In offering the particulars of this vessel, the Company endeavors to deliver precise and thorough information in good faith. Nonetheless, it is crucial to acknowledge that the Company cannot assure or guarantee the accuracy of the details provided, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any specifics they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notification.
