DETAILED DESCRIPTION

Section name

The 2004 Sea Ray 200 Sport is an exceptional craft that seamlessly blends elegance, power, and practicality, making it perfect for enthusiasts of open-water excitement. This model is in excellent condition and is driven by a sturdy 2010 4.3L 190 hp Alpha I MerCruiser ReMan stern drive engine. This engine not only delivers a smooth and potent ride but also adds to the boat's sporty allure.

Crafted with entertainment at its core, the Sea Ray 200 Sport boasts a modern stereo system with AM/FM and Bluetooth connectivity, paired with weather-resistant speakers that provide clear, vibrant sound. Whether you're gliding along the shore or anchored in a tranquil cove, the music will always create the ideal atmosphere.

For water sports aficionados, this boat includes ample storage for skis and wakeboards, ensuring your equipment is always ready for use. The lockable glove compartment offers a safe place for your valuables, while numerous cup holders keep your drinks conveniently accessible.

Every aspect of the 2004 Sea Ray 200 Sport has been meticulously designed to offer an outstanding boating experience, making it a vessel that delivers both excitement and tranquility on the water.

Propulsion

The yacht's propulsion system exemplifies superior engineering, featuring a MerCruiser engine renowned for its strength and dependability. At the core of this vessel lies the 4.3L MPI ALPHA engine, celebrated for its robust performance and efficiency. Built in 2010, this engine produces a total of 190

horsepower, allowing the yacht to glide smoothly across the water.

The engine is an inboard/outboard type, merging the advantages of both setups to provide enhanced maneuverability and straightforward maintenance. The stern drive is a favored option among boaters for its ability to deliver a smooth and responsive ride. This impressive system runs on gasoline, a popular fuel choice that offers a balance of power and efficiency. In essence, the yacht's propulsion system is crafted to deliver a harmonious mix of power, performance, and reliability, making it an ideal option for those who desire both excitement and comfort on the water.

Specifications

The yacht's specifications underscore its harmonious design and functionality, making it an adaptable option for a range of boating adventures. With a maximum draft of 2.75 feet, this vessel skillfully navigates both shallow and deep waters, offering versatility across various settings. Its 8-foot beam provides a stable and roomy platform for passengers and onboard activities. With a dry weight of 3,150 pounds, the yacht is crafted for peak performance and handling, ensuring a smooth and pleasurable journey. It can comfortably host up to eight passengers, making it ideal for family trips or social gatherings on the water. The 20-degree deadrise at the transom is a design element that enhances the boat's ability to slice through waves effortlessly, ensuring a smoother ride even in rough waters.

Fuel capacity is a crucial factor, and this yacht features a 37-gallon fuel tank, enabling longer voyages without the need for frequent refueling. In summary, the yacht's specifications are meticulously crafted to provide a seamless blend of comfort, performance, and practicality, appealing to both experienced sailors and those new to boating.

Other details

Accompanying this yacht is an additional component, the 2022 Karavan SRT-5000-DB-78-ST-L, which significantly boosts the package's overall value and functionality. This addition ensures you are fully equipped for a flawless boating journey from the outset.

It is crucial to understand that the company shares the details of this vessel with sincere intentions, yet cannot assure the precision of the information provided or the vessel's condition. Potential buyers are advised to have their agents or surveyors meticulously examine any specifics they wish to confirm. This vessel is available subject to prior sale, price adjustments, or removal from the market without prior notice, keeping prospective buyers informed of any changes.
