DETAILED DESCRIPTION

Section name

Embrace the thrill of adventure with the 200 Sport, a sleek and sporty vessel designed to deliver endless excitement on the water. This particular model is enhanced with optional gel-coat graphics, adding an extra layer of sophistication to its already striking appearance. At its core lies a robust 4.3L 190 hp Alpha I MerCruiser stern drive engine, promising exhilarating and dynamic performance every time you embark on a journey.

The 200 Sport is not solely about power; it is also equipped with features that elevate your boating experience. Enjoy your favorite music with the AM/FM/CD player, paired with weatherproof speakers that provide clear sound even in tough conditions. For water sports enthusiasts, the boat includes convenient storage for skis and wakeboards, making it easy to bring all your equipment. Security and convenience are also key, with a lockable glove box for valuables and numerous beverage holders throughout the boat for easy access to drinks.

With 539 hours of use, this boat is well-prepared for navigation and communication, featuring a stereo-compass and a VHF radio with an antenna. Moreover, the in-dash digital depth finder offers essential information about water depth, ensuring safe and informed navigation. This 200 Sport perfectly combines performance, style, and practicality, ready to provide unforgettable experiences on the water.

Propulsion

This yacht is equipped with a powerful MerCruiser engine, specifically the 4.3L Alpha I model, delivering an impressive 220 horsepower. With 539 hours

logged, this engine has consistently demonstrated its reliability and performance on the water. The combination of an inboard/outboard engine type and a stern drive ensures smooth and efficient propulsion, making it perfect for a wide range of aquatic activities. Fueled by gas, this configuration strikes an ideal balance between power and fuel efficiency, enabling extended journeys without the need for frequent refueling. Whether you're enjoying a leisurely cruise or craving a burst of speed, this propulsion system is crafted to fulfill your desires with assurance and ease.

Specifications

This yacht features remarkable specifications that seamlessly blend comfort with performance. Stretching 21 feet in length, it provides generous space for relaxation and enjoyment on the water. With a beam of 8 feet, it ensures stability and spaciousness, while a maximum draft of 2.75 feet allows for adaptable navigation across diverse water conditions. Weighing a dry weight of 3,150 pounds, this vessel is crafted for effortless handling and maneuverability.

Accommodating up to eight passengers with ease, this yacht is ideal for family excursions or social gatherings. The 20-degree deadrise at the transom enhances its ability to glide smoothly through waves, ensuring a comfortable journey even in rougher waters. Fuel efficiency is another standout feature, with a 37-gallon fuel tank capacity that supports extended voyages without frequent stops for refueling. These specifications come together to form a versatile yacht that is both practical and delightful for a wide range of boating adventures.

Other details

When offering the details of this vessel, the Company acts in good faith,

striving to deliver precise and thorough information. Nonetheless, it is crucial to understand that the Company cannot assure or guarantee the accuracy of this information, nor can it vouch for the vessel's condition. Potential buyers are advised to employ their own agents or surveyors to meticulously examine and confirm any details they consider essential. This vessel is presented with the understanding that it may be sold, have its price altered, or be removed from the market without prior notice.
