OVERVIEW

The 2024 Bayliner DX2200 is a 21-foot deck yacht designed to offer a seamless blend of elegance, versatility, and top-tier performance, making it an ideal choice for families and water sports enthusiasts. With a maximum power of 200 HP, it promises a smooth and stable ride, thanks to its 20-degree deep-V hull configuration. This yacht features sophisticated upholstery with diamond-pattern stitching, a wet bar complete with a freshwater sink, and a spacious cockpit that can comfortably host up to 10 passengers. It also includes a built-in cooler, in-floor storage for skis and wakeboards, and extended swim platforms for easy access to the water. The DX2200 is perfect for those seeking a yacht that merges style with functionality, suitable for both relaxing cruises and exciting water sports. DETAILED DESCRIPTION

Standard Key Features

This yacht is equipped with a remarkable selection of features crafted to elevate your time on the water. The exterior showcases a sophisticated look with black hullsides and a contrasting white bottom, while the interior impresses with a sleek graphite color palette. For added convenience, there is a built-in cooler and four well-placed cup holders to keep your drinks secure. The yacht comes with six mooring kits, providing stability and ease when docking.

The captain's seat features a 180-degree swivel, offering both flexibility and comfort. Water sports enthusiasts will appreciate the practical in-floor storage for skis and wakeboards. Entertainment is easily accessible with a waterproof 120-watt AM/FM stereo system that supports MP3s, letting you enjoy your favorite music while cruising.

Safety and functionality are key, with a battery switch and a 1200 GPH manual bilge pump included. A 12V accessory outlet caters to your electronic needs, and the tilt steering combined with a custom sport steering wheel ensures smooth and responsive handling. The analog trim indicator allows for precise performance control.

Additional amenities include three bow and transom eyes, a bow ladder with a hinged lid for easy boarding, and a fiberglass floor liner that enhances both durability and style. The extended swim platform provides extra space for relaxation and enjoyment, making this yacht an ideal combination of luxury and practicality.

Optional features

This yacht comes with a variety of optional features that enhance both comfort and performance on the water. Enjoy smooth handling with power steering, while the sporty hull graphics add a dynamic flair to the vessel's exterior. The stainless steel upgrade package boosts both durability and visual appeal, ensuring your yacht is a standout in any marina.

For those passionate about water sports, the ski tow pylon is a must-have, offering a secure towing point. The full windshield with an opening center panel shields you from the elements while allowing fresh air to flow through the cockpit. The bimini top provides shade and sun protection, complete with a boot for easy storage.

The bow well and cockpit cover offer extra protection for your yacht when not in use, and the portable head adds convenience for extended trips. A transom shower with a demand water system allows you to rinse off after swimming, adding a luxurious touch to your boating experience.

Stay informed and in control with the 7" glass dash Mercury, delivering essential information at a glance. The cockpit table is ideal for socializing and dining on board. The dual battery switch with an additional tray ensures dependable power management, while Vessel View Mobile keeps you connected to your yacht's performance data via your smartphone.

For entertainment, the Rockford Fosgate stereo system provides excellent sound quality, and the wireless phone charger ensures your devices are always ready. These optional features combine to create a yacht that is as functional as it is luxurious, designed to meet the needs of discerning boaters.
