DETAILED DESCRIPTION

Section name

This yacht comes with a 2021 Venture Trailer COM-5300, making transport and storage a breeze. The windshield is a fixed composite model, enhanced by dual wipers to ensure clear visibility in any weather. The exterior is crafted with precision, featuring a stainless steel bow rail, composite handrails, and trim. Stainless steel coaming board caps and fold-down footrests add both utility and elegance. A black rub rail and spray rails contribute to the yacht's streamlined look, while the quarter guard and inspection deck plate offer extra protection and ease. Stainless steel pop-up rear and spring cleats, along with a fixed bow cleat and bow chocks, provide secure docking. The stainless steel bow eye and rod holders, complemented by a Ritchie compass, complete the sturdy exterior design.

Inside, the seating is designed for both comfort and functionality. The hinged helm and Todd ladderback pedestal seats provide an excellent vantage point, while the teak bench and seat boxes with storage and cushions offer plenty of room for relaxation. The V-berth seating with cushions ensures a cozy retreat. Additional amenities include a PortaPotti with a folding enclosure and dockside pumpout, a transom-mounted boarding ladder, and Sunbrella upholstery for lasting comfort and durability. The USCG safety package, featuring an electronic flare, provides peace of mind while on the water.

The yacht's electrical system is cutting-edge, equipped with a Garmin Echomap UHD Chart Plotter with depth and fish finder functions. The 12V LED navigation lights and 6-gang electrical switch panel allow for efficient management, while the 12V/USB accessory plug and cabin LED dome light (white) offer modern conveniences. A classic analog fuel gauge and hydraulic steering ensure smooth handling, and the electric bilge pump with auto float, along with a

single battery and switch, ensure dependable performance.
