OVERVIEW

"The current price" is offered for guidance only; all reasonable offers will be graciously considered. The 2007 Cobia 214 CC is a responsive, performance oriented 21 foot center console crafted for anglers who value pinpoint handling and dependable outboard power. Agile in tighter waters yet sufficiently roomy for comfortable days afloat, she accommodates up to six guests and balances generous deck openness with thoughtful lockable stowage and versatile utility—a refined choice in the compact sportfishing center console category for weekend anglers, inshore bay enthusiasts, or anyone seeking an elegant harbor runabout.

Carefully maintained, this Cobia presents very well for its year, showing a clean, orderly finish and is ready for on site inspection. Prospective buyers are invited to step aboard, assess her condition, and submit offers accordingly.

Please note, a trailer is not included in this listing and will not be part of the sale. Nationwide transport can be arranged upon request; we can commission custom cradles and deliver to port to facilitate international shipment. Our team can coordinate logistics and provide detailed shipping quotations tailored to your needs.
